FOREWORD

A NEW MOVE OF GOD

Are we in the end time?

Is life on earth drawing to a close?

Have wars, rumour of wars, technology, population increase,
earthquakes, pestilence, famines, drained our planet?

Have we swum out of the persecution of the church?

Have we seen many false prophets who rise up deceiving many?

Have we witnessed the express move of gospel of the kingdom over the world?

Is Jesus really coming soon? If he is coming soon, how do we prepare for Him?

A lot of questions are being asked concerning the future, which you also have to ask. It seems that everywhere we look; we see signs and occurrences that seem to prove that the end has come. Then where else can we hide? No hiding place except for us to accept the soothing hand of God called "*Refining Process*". We are all raw, we have not been broken into pieces to enable the engine in God's factory, the grinder, to grind us.

Any factory involved in manufacturing must have production rooms, where you see machinery in each section; some for grinding, some for sieving, some for melting, some for molding, some for breaking and some for assembling. As each engine has its work, section by section, to produce and perfect the

product given it for massive use, each company is putting in its best to give quality product for the satisfaction of users, also the God of heaven has his own factory where he feeds us into the machine as raw material. He knows us to be raw according to our Adamic nature. He built this factory, and equipped it with the machines for those who will willingly submit themselves for refinement, knowing that they are still raw. Those who need to be grinded, sieved, melted, molded, broken, sewed or assembled to form a strong whole, to be used as a vessel of honour, prepared for every good work, as contained in 2 Timothy 2:19-21 :

“Nevertheless, the foundation of God standeth sure, having this seal. The Lord knoweth them that are his. And, let every one that nameth the name of Christ depart from iniquity. But in a great house there are not only vessels of Gold and Silver, but also of wood and of earth; and some to honour, and some to dishonour. If a man therefore purge himself from these, he shall be a vessel unto honour, satisfied, and meet for the master's use, and prepared unto every good work ”.

INTRODUCTION

Refinement, what does it mean? This means, when substances like sugar or oil is refined; it is being made pure by the removal of other substances from it. If you refine something such as a theory or idea, you improve it by making some alterations to it. People who are refined are very polite and well mannered.

In the circular world, when anything is being refined, there is a process which it passes through, before becoming a refined product. For example, to refine crude oil for it to turn to petrol, it is not an hour job, even if it is, the crude oil itself would have undergone a lot of things before coming out to be a petroleum product. To refine things in this life, is not easy for non-living things, much more a living soul. In the process of refinement, it is neither easy for the refiner nor the refined, because a lot of things need to be put in or/and withdrawn in order for the beauty of the product to come out.

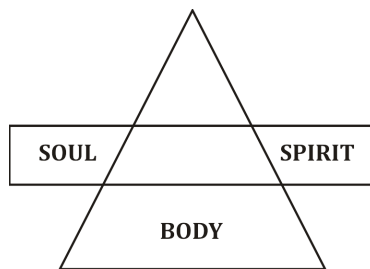

Now let's talk about the refining process in the hand of the Lord in the life of the people. Refining process, what is it in the life of believers, the people of God?

This is a process where God changes the life of his people. That is, the redeemed ones, to his own taste by removing all the vices that are not supposed to be there and adding all the spiritual fruits that are needed in their life.

When a child is born to this earth, he or she has three important components:

- (1) Body
- (2) Soul
- (3) Spirit

Refining Process in the Holy Ghost School, The three components are explained below:

BODY: It comprises of the bones, muscles and blood that aids living, without it, no one can live.

SOUL: In a human soul, you would find will, mind and emotion. These three things make up the soul of a man and a man cannot function without these three.

- (1) You must give your will.
- (2) Your mind is there to direct you on what to do and how to about it.
- (3) Your emotion is your feeling towards what you want to do, it can either be right or wrong.

SPIRIT: The spirit of a man is made up of:

1. **Conscience:** This is a part of the mind that tells one what to do or what not to do. Conscience can also grow out of a particular habit or character, which a person indulges in, and believes is right, even if it might be improper or dangerous.

2. **Intuition:** This can also mean intellect; on the other hand it is the ability to interpret information well, think and understand ideas. Someone with good intuition would appear clever.

3. **Communion:** This can be a means through which man can have communion either with nature, God, spirit or whatever.

One may say, why this explanation. But I can assure you that these three components will lead us to a better understanding of what refinement is. A believer who goes through the refinement process without the concordance and harmony of his body, soul and spirit has not truly gone through the process, so God has not really worked in the person. The Bible says in the book of Romans 3:23 **"That all have sinned and come short of the glory of God"**, hence the lost glory cannot be won back by half measures. You have to complete the process fully!.

BODY: The body is the physical attribute of man that can be seen by all. This one cannot be hidden. That is why it is easy for someone to label the other man a sinner, since that can be judged from his behaviour. You can know a sinner by the way he talks, where he goes, people he mingles with, the choice of his taste, the dress he puts on and so on.

The body is important in the process of refinement in many ways. For example, if anything positive has happened to the spirit, it must reflect on the outside and people will see. For example, anyone that God has fully refined will not wear a dress that reveals half her breasts for men to ogle at. The body also holds other life components, it is inside of it that the others stay or live. Have you now seen why the body is important in the process of refinement?

Soul: As earlier mentioned, In the soul of a man, there are:

- 1) Will
- 2) Mind
- 3) Emotion

God works with these three components in the process of refinement because the Bible says: in Isaiah 1:19, **"If ye be willing and obedient, ye shall eat the good of the Land"**. So this means that before

refinement could take place in someone's life, God even needs our approval to go ahead! God needs our will; we must be willing to go on the journey with him. It is a journey indeed, and it is not a day work,

Mind: Your mind is there to think towards the essence of giving the will. It is there to convince you to surrender your will to God in order for Him to refine you, because there must be an agreement. So the mind is there to elevate the will or weaken it.

Emotion: Emotion is not left out in the process of refinement. When God is about to refine you, what is going to be your feeling towards it? Will it be that of resignation or struggle, love or hatred, trust or doubt, boldness or fear? Whatever your feeling is, know that God will work with you depending on your emotion.

I) FEAR: will you be afraid going through refining process, knowing too well the pains you are going to pass through? Certainly it is not going to be easy, not the bread and butter way we would have wanted. No, no, no. But Jesus has nullified the fear of losing to gain, when you submit yourself to him, as seen in Mark 10:17-30 and Mathew 6:33.

LOVE: Through the type of love you have for God, do you really want to be refined? God wants to know who you are before Him, before you can be refined. Do you really desire Him? Do you Love Him and ready to do anything He asked you to do? Listen, being born again does not change facial look, neither does it change your colour nor make you taller or shorter. But through your love for Christ, you will be happy to make yourself available as an instrument of refinement (Acts 5:40-42).

ANGER: Anger can make God to withdraw from refining you. Are you the type that would refuse God to refine you at his own pace and taste, while you will be angry seeing someone else who fears God, Love him and gave his total willingness to God, and is rapidly transformed and enjoying the fruits, only for you to curse, swear, backbite and say all sorts of things in anger against such person? (Ephesians. 4:17-26).

JEALOUSY: Are you jealous of those who yielded themselves as an instrument to be refined, purified, sanctified and totally cleansed. Let us go back to Ephesians. 4:20-23 which says: ***"But you have not so learned Christ; if so be that you have heard and have been taught by him as the truth is in Jesus. That ye put off concerning the former conversation the old man, which is corrupt according to the deceitful lust; And be renewed in the spirit of your mind"*** The book of Proverb 6:34 also says: ***"For Jealousy is the rage of a man; therefore he will not spare in the day of vengeance "***

Therefore, refining process in the Holy Ghost school is talking about the process of cleansing, washing, purging, purifying and sanctifying the church of Christ through fire. This is the way God wants to prepare his saints, at these latter days for the rapture, or Jesus second coming.

Refining process also talks about purity, holiness and righteousness in the souls of men that love God both in physical and in spiritual realm, and are ready to go extra miles for Christ, Let's see the book of 1 Peter 1:3-4. In this place the word of God is telling us that our rejoicing is just but a season, knowing too well that there is heaviness in our heart which is caused by too many temptations. Now, if you will give your will, humble yourself and give God the chance to try your faith with fire. I tell you the outcome will be much more precious than gold and silver that perishes. After God finishes what he wants to do in you, God himself will get the praise, honour and glory. For example, before my refinement, you cannot take me for anything because of my life style, but by God's grace, anywhere I find myself now, both children and adult always fall in Love with me. Glory be to Jesus.

If you follow what Zechariah 13:9 says here, you will know that, it is not everybody that is called to pass through the process, the chosen ones and the ones God refers to as "the third part", that is, there is a few out of the multitude who will be ready to pass through fire, as gold and silver is tried and why not be among the few?.

What is this fire? These are trials, temptations and tribulations tests. All these things can come through your enemies, your stubborn boss, even your pastor, husband, wife, children, neighbours, friends and relations.

Zechariah 8:8 also says: **"And I will bring them, and they shall dwell in the midst of Jerusalem and they shall be my people and I will be their God, in truth and in righteousness"**. Now, have you seen the qualities of the people who are going to dwell in this land, *"Truth and Righteousness"* God goes on to declare that whoever has this Truth and Righteousness, He will sow her¹ unto himself in the earth. **"And I will sow her unto me in the earth; and I will have mercy upon her that had not obtained mercy; and I will say to them which were not my people. Thou art my people; and they shall say: "Thou art my God".** (Hosea2:23).

God will sow you unto him in the earth, he will have mercy upon you, because you have been in sin all these years, but through his mercy that brought you in, and for the process which you are to undergo; you will become an ambassador for Christ, for he said *"I will sow her into me in the earth"* And he also said to them which were not his people, *"you are my people"* and they will say, *"you are my God"*. It becomes clear here, that once you make up your mind to pass through this process of refinement, you that was not *"God's person"* before can now become one of God's people through His mercy and Grace.

When you come unto the Lord with a humble heart, a contrite heart, a broken heart and drop the heart that is heftly, proud, despising and the heart that does not glorify God, then God will fulfill His purpose in your life, just as He said in Ezekiel 11:19-20. ***"And I will give them one heart, and I will put a new spirit within you; and I will take the stony heart out of their flesh, and will give them an heart of flesh. That they may walk in my statutes and keep mine ordinances, and do them; and they shall be my people and I will be their God"***.

Let's also see what the Lord said in the book of Isa. 48:10-11.

He said: ***"Behold, I have refined thee, but not with silver; I have chosen thee in the furnace of affliction". In the next verse, he said he is doing it for his own sake, " For how should my name be polluted? and will not give my glory unto another "***

Take note of the sentence, I have refined you, but not with silver, have chosen you in the furnace of affliction. What God is saying here is that your refinement has nothing to do with all the pleasures of this world; your fleet of cars, your mansions, your investments, and so on, but he is talking about your spirit man, the chastisement you are to go through in the spirit, Honestly God wants to come back to his house and dwell therein, which is our heart.

For God to say he has chosen you in the furnace of affliction, He is making you to understand that you must go through tough times, so that your eyes of understanding can be opened, in the realm of the spirit, to know that it is God that is doing it, in order for you to be cleansed and be ready to offer unto God your offerings, in righteousness.

In the next verse, God gave reasons why he has to do this: L He is doing this for his own sake,

2. He asked a question "how long, will my name be polluted?" You should think about this question too, how long? God does not want anyone to mess up with his name.

3. He vowed that his glory will not be given to another.

I want to quickly comment on this fourth aspect, which is not very instructive. God does not like sharing his glory with anyone. So if there is any Pastor or Reverend, any Minister of God for that matter, that

likes according himself God's glory, he must immediately stop such habit or else, he will face the wrath of God.

Again, this refinement is not an easy deal, that is why God himself said that it is not with silver. The process is not about jumping from one church to the other, going from one pastor to the other, one prayer house to the other or the one of attributing your problem to the devil's hand work, this can make you lose focus of what God is doing in your life. In the furnace of affliction, no devil, which he said, can engineer or come between the testing, purging, scourging and affliction of all kinds that He (God) will make you go through. If you are able to stand and take all these and say: God here I am send me, I know you love me better in any condition, I will follow you Jesus. It is then you have really passed the test and become a fine child of God, worthy to work with him in his vineyard.

Let us go to the book of Psalm 66:10-13. It says: ***“For thou, O God, hast proved us; thou has tried us, as silver is tried, Thou broughtest us into the net; thou laidst affliction upon our loins. Thou hast caused men to ride over our heads; we went through fire and through water; but thou brought test us out into a wealthy place. I will go into thy house with burnt offerings; I will pay thee my vows”.***

This is the type of words that can come out from the mouths of those who have been refined by God. These people can now call God their God and God will call them his people, because they have passed through this fire of refinement and it has brought out the qualities that God is looking for, such as; Humility, Submissiveness, Patience, Love of God and man, Gentleness, Meekness, Faith, Goodness, Peace, and many others.

Back to you, my dear brother and sister, are you ready to pass through this process? In case you are pretending to be a child of God under the disguise of born-againism, but you continue to break the heart of God by doing evil everyday. It does not matter if you are getting away with it now, just know that if you do not change, your portion will be in the lake of fire.

You might be the General Overseer of a church, Pastor, Reverend, Bishop, always remember that God is not the respecter of any title. Whatever thing you sow, the same you shall reap.

The word of God says in the book of Deuteronomy 32:10 ***“He found him in a desert land and in the waste howling wilderness, he led him about, he instructed him, he kept him an the apple of his eye ”.*** You can imagine, somebody who was found in such a place, God picked him, cleaned him, led him about and finally made him the apple of his eyes, is it not a thing to be celebrated?

Now look at what happened in verse 15, ***“But Jeshurun waxed fat, and kicked, thou art waxen fat, thou art grown thick, thou art covered with fatness, then he forsook God who made him, and lightly esteemed the rock of his salvation”***.

This is the character of the so-called people of God who made him, be picked from their ruin. Do you know that many come to God because of the material things they thought that God could give them and by the time they get it, they forsake God. And some when they don't get it, they curse God, They did not come to God because of their own souls. Look at what God threatens to do people like this, as contained in verse 26 ***“I said, I would scatter them into corners, I would make the remembrance of them to cease from among men ”***. What a word!.

My beloved brothers and sisters, are you among those that the Lord picked in the desert land, and from a waste howling wilderness, and led you about, instructed you and kept you as the apple of his eyes? And you, as Jeshurun, eats and are waxing fat and you kick the rock that hoisted you. Remember, there is a way that seems right unto a man, but that same way leads to destruction.

CHAPTER 1

THE HUMILATION OF BABYLON

There is what is called the Spirit of Babylon. It is also known as the Jezebel Spirit and it is manifested in man in several ways, like Pride, Bitterness, Resentment, Anger, Envy, Unforgiveness, Malice, Backbiting, Murmuring, Frequent Complaints, Rebellion, Disobedience, Impatience, Self Love, Self Centeredness, Inordinate Ambition or Irrational Quest for Independence, Excessive Thought on Self-sufficiency, Immoral Behaviours or Thoughts, Lying Spirit, Self Assertion (love being heard/seen), Domineering Spirit, Controlling Spirit, Lack of Submission, Greed, Worldliness, Covetousness, Materialism, Selfishness, Vanity/Vainglory, Hypocrisy, Pretence (Insincerity) Inward Restlessness, Lack of Genuine Peace & Joy, Fear of Poverty, Fear of Losing Respect, Fear of Public Opinion, Fear of Family Opinion (above fear of God), Lack of Real Trust in God, Unbelief or Disbelieving the Word of God, Religious Spirit, Over Activities (to cover-up spiritual emptiness), Looking down on People, Spiritual Arrogance, Iniquity Workers (doing God work without pleasing God), Sharp Tongue, Self-justification (excusing one's failure or wrong doing), Lack of Repentance, Spreading of Falsehood, Fear of Death, Fear of Devil, Serpentine Reaction (when

rebuked, especially in public). High Thought Revengefulness, Laziness, Lousiness, Sluggishness, Frustration. Dullness of Spirit. Lack of Courage, Timidity, Unthankfulness. Un-teachable Spirit (Mr. or Mrs. Know-all), Disrespect to Authority. Talkativeness or Gossiping, Criticism, Rumor-Mongering. Un-trustworthiness. All canal natures, All unrighteousness

All these are Jezebellian or Babylonian characters that God detest. The woman of Babylon is in charge of them. In Revelation. 17:1-7: John says: "***I will show you the judgment of that great harlot who sitteth upon many waters***". As Rev. 17:1 shows the judgment of the great harlot who sits on many waters and Bible definition of waters is people, nations, multitudes. tongues and languages. Revelation 17:15 defines the woman as who sits upon us, and riding us, causing us to live luxuriously in life, causing us to commit spiritual and physical fornication, pushing us to drink the wine of her abomination.

The woman is adorned with beautiful things that charm man, and she also carries a golden cup. She seduces man through this cup, as the man is attracted to the outside glitter, not knowing that inside is full of filthiness of her fornication. On her forehead is this bold inscription: Mystery, Babylon The Great, The Mother of harlots And Abominations Of The Earth. As this woman is the architect of all these characters we possess, we have to resist every abominable and evil life style she has deposited in us. She must go. God of heaven is issuing this clarion call for separation from Babylon.

Brethren, cry out now by exposing all these demonic characters you have found in yourself and begin to fight them by accepting this new move of God called Holy Ghost Schooling, in which you can now have time in the presence of God, whereby you see yourself in the lord's factory, where God will feed you into his machine as a raw material for production. You must have Covenant time with the Lord everyday. It is a tragedy that Christians have abandoned their position to the children of satan, and now it seems people benefit more from serving gods. Look, it seems as if other gods are benefiting from those who serve them and it was only Jesus that was always losing from his children, because nobody has time for him. Nobody looks at his face to see if he is happy or not. Nobody asks Jesus what to do for Him, but we always ask Jesus to do this or that.

Do you know that God has problems? His kingdom represented by the church has collapsed because of falsehood, heresy and errors that have swallowed the church. Honestly, it appears as if God is losing out indeed when you look at the global system of worship now. Discouragement is coining forth, from the church of God. Or do I mention the worldly ones? Honestly, it is like this because we have lost our communion, no more personal relationship with God. We are drifting away, full of evil hearts and wrong motives in our church services. Could you imagine in a church, you see two people keeping malice, dragging a boy or girl friend, quarrelling because of position, being insincere and patronizing because they want one favour or the other, shame on us. The worldly ones, and Anti-Christ, are wiser and faster than the church at this time, that is why they easily manipulate us.

They know when the church is divided and going the wrong way, so they seize the opportunity to shake it. No wonder God told me that he is a saviour but he is also the judge; that he has come before, simply to save, but now he has come to judge the earth. He told me that he came to reveal himself to the world as the righteous judge and also to reveal his judgment to his own household so that they will know the

power of Holy Ghost as it was in the beginning. In Peter 4:17 19, the Bible says that: **"If the righteous ones will be scarcely saved what will the ungodly do? "** God told me that he always extends his mercy and hand of fellowship before judgment. He always wants his people to come close, hear what he says, do them and be saved, God took me to the book of Jonah, and said as Jonah slept when the storm came upon the ship, So God said the church of God is also sleeping, but as the heathen storm woke Jonah in the book of Jonah chapter 1, so shall the heathen storm of his judgment, tribulation, anti-Christ and pains in this last days, will wake his church so that they will call on their God, as Jonah did, to save them.

God told me that as many that will wake themselves now, and repent and judge themselves and go the way the Lord sends them, as he sent Jonah to move to Nineveh, on a special assignment, but Jonah went his own way to Tarshi to please himself. Honestly, God is not happy with his children. God told me that the church is moving away from His presence. They are only engaging in jamborees; instead of seeking the Lord's presence in the ministry or in the church. Jumping from one man of God to the other, engaging in dry fasting for 7 days, day and night, fasting for one month using man's strength and personal wisdom to seek God. Capital No! God is not that cheap to win to our side, just by our own will or design. He needs our deep intimacy; our union with him in truth and in spirit, loving him and pleasing him obediently, instead of our sacrifice.

Jonah was running away from the presence of God because he didn't want to do the will of God. He was not interested in the soul of men. He didn't want to be obedient by pleasing God, because what will be pleasing to God is to go to Nineveh and save souls because the people's sins were exceedingly great. God is no more inclined to endure any more. His children in Nineveh had gone astray, so God had decided to close the chapter of Nineveh, as he closed Sodom and Gomorrah, He therefore sent Jonah to blow the alarm of Judgment message to them. Honestly God loves mankind so much. Even when he wants to kill, he still gives opportunity for repentance. Hello world could we be very selfish and wicked in the sense that we refuse to respect God, upon all the love and tolerance he has for us. Hello men and women of God, we have abused the lawful message, the gospel God gave us to use and feed his sheep. We have diluted it simply because we are too focused on doing business with the gospel; currying favour and making money from the congregation.

Everyday people are being handed an olive branch to hell fire, just because ministers of God choose to turn a blind eye to the evils men do, so as to retain them in the church as members. We refuse to hammer on the truth which helps people to seek the Kingdom of God, We refuse to give God the chance to do his work on his children and we His ministers.

If I should tell you this, I was actually in tears, at a point, when I was writing this book, I was asking myself, why should men be so wicked against their God, running away from God's presence, while he needs us so close, because every battle, case, problems, will be fought in his presence. Likewise deliverance will take place in his presence.

It is when you come close personally that you would feel God and know him well and also knowing what he likes and dislikes. It is when you get to this level that you can now ask him, daddy what do you want?

What can I do for you? He may tell you one problem that has been troubling him. He may send you for morning cry to preach in a particular place, just for one soul, or he may send you to bless a widow or fatherless and motherless children. He may send you to a man of God to bless him. He may tell you to sponsor a crusade in your town. He may send you to go and pay someone's house rent. He may tell you to build a church. He may tell you to bless someone with your talent He may tell you to intercede for his church or for men and women of God. He may tell you that he needs worship, just begin to worship him. I mean God has problems as much as we have too. He may say pray for the world, and at that time you are praying, something may be going wrong in the world that needs to be corrected or averted.. He may say close down your business and carry the cross to follow him as his disciple, as he did in early time. Whatever it is Just obey.

Holy Ghost Schooling is the ultimate and last bus stop. It is God's present. God may say pray for your country, begin to do it immediately. I remember during the recent elections in my country, God showed me war which caused shedding of blood, and I saw myself with some brethren entering an indoor camp several times, where we were disconnecting the enemies connections, intended to suck people's blood. We can still recall what happened during the election, if not for God of heaven, the election would have ended in chaos, tree blood letting and death of millions, but Jehovah intervened by his mercy. For this is the worst election ever conducted in Nigeria, as many observers said, yet it did not end in War.

If we run away from God presence, where else shall we go? Being in the presence of God is the sweetest thing one can ever do. It is the hospital or Diagnostic Centre where God examines us, tests us and gives us the right treatment for whatever problem we have, God's medication is free, yet human beings will gladly go and meet the devil for medication, even sacrifice a fellow human being to get the medication!. God forbid

Hey! Hey! God is not happy with man again. What happened in the days of Noah is coming with full force upon us, except we do what the people of Nineveh did, If God will ever look our way again. What did they do? Their King called for reconciliation by humbling himself. He removed his royal attire, fell on ashes and declared fasting for human beings and animals. They went through brokenness and repented, praying that God change his mind from killing them because the message said that Nineveh will be destroyed in forty days. What saved them was that they all realized that they have God and ran to his presence, and when God saw them, he accepted them, and changed his mind about destroying them. God says he doesn't have pleasure in killing his people.

Normally anyone who goes to a hospital to consult a Doctor for treatment must have appointment card and time, so why can't we do the same thing for God by giving him reference in the way we choose a time he approves, to commune with him, in our quiet time?. Why do we take God so much for granted?

Holy Ghost Schooling requires that we choose a particular hour(s) each day to commune with the Lord. I believe that no matter what we face, no matter how tough it might seem, this can be resolved by God in this quiet time. Hello church of the living God, let us go back to God's presence and ask God for

revelations, and for the power of dream and vision, as the Bible says in the Joel 2 128 -29, that points at the last days.

I assure you that the spirit of God is already at work through the Holy Ghost school. Why not make a move by choosing your specific hour, same time everyday, devoting at least one hour. You will marvel at what you will experience.

One of our Christian brothers visited a prison and after ministering to the inmates about the Holy Ghost school and the benefits of quiet time, the prisoners told him to pray for them. Our brother told them that God has come to reveal himself to every man and there was no need to wait on any man or Pastor for prayers, that they can pray on their own and God would answer. After saying this to them he blessed them and left.

Around 8.00p.m. the same day, someone was flashing our brother consistently with the phone, then he called back. It was one of the prisoners. He told our brother excitedly that immediately he left, he took the Holy Ghost School book he brought to the Prison and began to read it. Then he told God that since the Christian Brother said there is power in quiet time communion with God, he was going to put it in practice. So for an hour or so, he began to meditate, then he prayed. Miraculously an hour after he did this, he was called out and set free from the Prison that same day!

It was like magic but it is real, it is what the Holy Spirit can do. He did it in the time of the Apostles, it is still happening in our own time. In these last days you to encounter and experience Holy Spirit through the Holy Ghost School hour. I need to warn you, however, that the devil was always ready to fight this communion with God because he knows that it is your gateway to freedom. The devil knows that when you get close to God, he has lost, so he would never want us in God's presence. It is a battle, but you must be prepared to win, God is patient and he has been refining his people in the Holy Ghost School, That lustful character and wicked spirit that you have been battling with, that you can't discard, can be stopped in the Holy Ghost presence. All your struggles for success, for wealth, for good health, for marriage, for whatever, can be got in his presence.

Healing from sickness is there. Anointing for upliftment is there. Listen, all that hooks you in the neck, that drags you down, is just for you to come close to God. At the feet of our father, at your own convenient time, matters will be settled, no matter how tough it is. Immediately you choose your covenant time and dedicate it unto the lord, you have to struggle to keep it on. It is an everlasting perpetual covenant you will have with our God. It is the power in this that makes the devil fight it so that you can continue disobeying God as you stay out of his presence. You find yourself falling asleep anytime you come to dine with your father. But have this at the back of your mind, that no one comes to his earthly father to discuss important issue, and begin to sleep. The meeting will not hold. You must be awake as a honour to God. Know that this is a School indeed. Your biro, notebooks, Christian books, revelation book must be on the table, and you will immediately record or consult the Bible as the Holy Ghost ministers. Anything the Holy Spirit the teacher, asks you to do, you do.

Some may want to observe their time at a time when visitors can come in to distract them. You must let all of them know that you are with your heavenly father and no one should disturb you. Most of us honour and respect people in earthly authority more than our heavenly father. It is so shameful, Connection and business may come during your quiet time, even strange calls that may make you discontinue your quiet time. Don't give room for this distraction, put off your phone to concentrate. Let everything wait, no matter how urgent, until you finish with your God. Hello church of God; even we Pastors, Evangelists, Prophets, Bishops, Pope, Cardinals, Elders, whatever titles we have given ourselves, sometimes fall short of this,

We have become God's mate, no more regard or fear of him. No respect. That is why after we lied, cheated, fornicated, masturbated, impregnated sisters or even married women in the Church, to get out of the scandal, we settle for denials, court cases, bribing, abortion, because we don't want to live with the shame, only for God to live with the shame of His children. If you don't like shame, how do you expect our heavenly father to like it?

Some church leaders are even involved in drugs; they sniff cocaine or smoke marijuana to feel charged on the pulpit. Sorry, one day it will disgrace you. Those of you that know that all the doctrine you give out to people is paganism or Idolatry, yet you are comfortable with propagating heresy, simply because you want to please man or you want to belong to the intellectual class, the great philosophers and great preachers, shame on you.

When Ministers know that what they are saying on the pulpit is wrong yet continue to say them, they are building a bridge to their own eternal damnation. The liar, the blasphemer will soon drop dead at the pulpit, for lying against the Holy Spirit, Remember what happened to Ananias and Saphira. Just watch out and you will see.

God is not happy with what is going on. Ministers that are involved in occultism, and are using such evil powers to deceive their congregation, they think they are smart, but they should know that the hour of judgment has come, and they will suffer the result of their evil deeds. For if the Bible says in Revelation 21:8 "that liars shall have their part in the lake which burns with fire and brimstone", nothing can hardly change that. Imagine if only lies can put a man in the lake of fire, what happens when God adds the punishments for other wicked characters we possess?

Do we really desire to enter into this everlasting kingdom of God at the end of our journey on earth? We are in the hour of grace now, time is no more on our side because we have wasted a lot of time already. So this remaining little time, Jesus wants to use it to expose the hidden thing we are doing and also to prepare his church for rapture. God is refining his people now in his own presence through the Holy Ghost School.

In case you have not read my first book-Building a Brazen Altar in the Holy Ghost School which focuses entirely on what the Holy Ghost School means and how to effectively apply your quiet time in your close relationship with God, I would suggest you get a copy. Holy Ghost school is not a moment for you begin

to ask God to give you car, baby, money, house, cloths, work, contract or favour. It is a moment for God to minister to us, because we've always had our time to minister to God to solve our problems, so God is also looking for a moment to minister to us as our God. It is a time God will look at you and expose the evil in you, your weakness, your falsehood, your mistakes and all wrong things you have been practicing in secret. Your wrong doing which no one knows is played back, like a video, in the Holy Ghost school, and you are given assignment to correct it.

It is a tough training in the sense that God may tell you to tell the congregation, in a Sunday service, the fornication you committed a day before, and failure to confess your sins openly may lead to terrible consequences. For example, you may begin to be burnt by fire that will make you jump out to confess what you did in secret.

I want to stress this; confession is the only and simplest way for us to be forgiven and delivered. What made me what I am today, by God's grace, is the humility in owing up to my own weaknesses; admitting the evil in me, because I knew from beginning that I wasn't good and needed redemption. I was somebody no one could manage. I was full of lie. My other name was lie. I lied even when I didn't need to say anything.

My husband used to say that even when I said "good morning." It was necessary to check: his wrist-watch to be sure. In my early days at the Ministry, I could even lie in the pulpit, telling people what I knew was not true, presenting myself in a Holier-than-thou-manner even when I was perhaps, the worst person. I had this demonic anger that made me want to deal with anyone that offended me. Oh my God, I can boil like hot water. I was the type that would never owe up to my fault or shortcoming; I must find an excuse or word of defense to cover it up.

In fact it was so much on me. But God of heaven remembered me and gave me a call of separation, and he began to educate me on the mystery of Holy Ghost schooling. He started drawing me close to himself and the more I came close to him, the more he exposed things about my life, and to people that even made me weak. Anything I did secretly, God must expose it to people.

The shock of these revelations made me to reduce my activities in the Ministry, so that I can concentrate on myself; I just had to make my way straight with God first before I try to influence others. Today when I look back, I always sing and thank God for separating me unto himself and making me naked before his presence and before people. At a point we have to get tired of our lifestyle and decide strongly to make a u-turn, until when we reach this point in life, we cannot be good candidates for the Holy Ghost School.

Immediately you begin to know your short comings, pray for encounters that will crush those ugly characters. Whenever you see yourself manifesting them, cry out for God's help. Use this short prayer: *"Oh God, as from today, draw me closer to you and make me naked before you, and before people, and give me the grace to stand it. So that I will work into perfection in Jesus name, Amen "*

CHAPTER 2

BURNING THE CHAFF

The purpose of God refining us in silver furnace of affliction is because, before He decided to accept us into His Holy Ghost School, we had been calling the Lord in hypocrisy, we appeared religious yet were rebellious and full of foolishness. We worshiped God but not in truth or in righteousness. We even proclaimed ourselves to be citizens of heaven while we were heading for hell, but God in his infinite mercy, didn't grow tired of us. So for God to teach us a lesson of life after all the pains we had caused him, he has to make us go through the silver furnace of affliction, for us to be well refined. In Malachi 3:2-3 Christ refined, purged and prepared the ministers and the priests of the Lord whom he called the sons and daughters of Levi.

Numbers 3:59 says: ***"And the Lord spake unto Moses, saying, Bring the tribe of Levi near, and present them before Aaron the Priest, that they may minister unto him. And they shall keep his charge, and the charge of the whole congregation before the tabernacle of the congregation, to do the service of the tabernacle. And they shall keep all the instruments of the tabernacle of the congregation, and the charge of the children of Israel, to do the service of the tabernacle. And thou shall give the Levites unto Aaron and to his sons; they are wholly given unto him out of the children Israel"***

You can see those that were called to separate unto the Lord were prepared. So that they may serve the Lord. The truth is, it is not everybody that is meant to serve God. We can see that this is a unique call, a direct call to minister to God in his need and in the need of his congregation. Tabernacle is the household of God where God selects the people that will give him genuine service. The tabernacle being referred to is not a place you can jump into and begin to mess up with your deception and falsehood.

God is in search of generals, true Heroes, in this reformation time, brave men that will bring change. If you want to belong, allow God to burn off the chaff in you now. God told me that what he did in the time of Saul and David has come again to take place in our own time,

1 Samuel 3:14 ***"But now thy Kingdom shall not continue: the Lord had sought him a man after his own heart, and the Lord hath commanded him to be captain over his people."***

God sought .for himself a man after his own heart after Saul disappointed and disgraced God in service. God will never operate below his standard. If a man he chooses fails to perform, he moves ahead in search of another man to do his will. In every generation and for every age,

God seeks out a man among men, unto whom he can commit himself and his oracle, and when he finds a man of his choice, tested and approved, he considers his mission accomplished. But such men are scarce, and that is why it appears as if there is a limitation of manifestation of his glory and power in the church today. God is still in search of men that will prove Him right. It is surprising to many that despite the millions of men and women in Lord's service today. God is still looking for men who will spt accurately for him.

God will continue searching until he finds a man who will meet requirement, as in the time of Saul and David. Samuel told Jesse bring out all his sons for sanctification, but Samuel could not chose anyone, even when he used carnal sense. God disagreed, only for him to pick the young David who met his needs.

God told me that he will not release the rain of Pentecost on his church until he finds men consecrated to handle the divine visitation of God and manifestation of his power, as he promised in the last days' battle. Why? The power of God is God himself so for God come down and dwell in us the way we are now, we shall all die, because we are not holy enough to carry God's awesomeness. God himself knows this, that is why he is preparing vessels that will used to hold the rain. The effect can only be compared with a dam that is not strong, yet it allowed mighty flow of water to rush in. What will happen? It will break down and will cause huge flooding that will carry away houses, properties, trees, rocks, farms a people. Such an overflow will certainly not be needed because of the great damage it will cause. God is withholding revival in the church not because he does not want it, but he has not found capable hands that can handle it. G also warns about delaying too much, he wants us to current completely to his wish, like he once told me: *"If you are not careful, I will sweep you away"*

You can recall that Samuel anointed David, a man after God's heart In 1 Samuel 16:13 in verse 5, all the sons of Jesse were brought c for crash programme on sanctification, in order for them to qualified to partake in a sacrifice. God hates emergency holiness: someone being righteous today and becoming evil the next day. Imagine someone saying, well I am not ready to fight now, let me finish my fasting first, or someone saying, well no problem, the Idiot will hear from me when I come back from camp or I have seven days night vigil, when I'm through you'll know, or let me go to the church and come back, then you'll see. No! No! No! God hates revenge, that's not the type of vessel he is looking for. He needs vessels that have been sanctified already from their mothers' wombs; ready to bear all, tolerate all, accommodate all, at any given time, having in mind to please God and make him happy, despite the pains and the cost.

God is searching for people who have God's heart and live for God every hour of the day. It is not what we look like on the outside that matters, but what is inside. That is what God is

interested in. There was an experience I had with a tuber of Yam that will explain this, I had picked the last tuber of yam in the house one afternoon, which I wanted to use to prepare a meal for my children. They were just returning from school, and were really hungry. I watched them pull off their dresses as I entered the kitchen to prepare their food. To my shock, as I cut the yam I discovered that the yam was spoilt inside. Nothing prepared me for this, because the yam was looking very good and we had eaten the other tubers without any complaint. I stood there for a while, the knife still inside the yam. I was too surprised to pull out the knife. Such a good-looking yam, yet bad inside! I wondered aloud to myself. Just then God spoke to me. God called me by my name and said: *"Uju, you are that yam"*.

He told me that I can see that there was no more hope in the yam; it could no longer be eaten. So would my life be, he explained, if I was allowed to continue with my way of life, God then asked me to separate unto him and allow him to recreate me. *"Uju I cannot use you the way you are"*, he repeated, *"you will be a disappointment unto me at the end"*.

I was so touched that I wanted to break down and cry, but I tried to hold myself because my children wouldn't understand why their mum, who needed to give them food to eat, would rather be weeping. So I hurriedly got them something else to eat while I withdrew into my room to cry my heart out. It was such a big blow to me, that at the level I thought I was, I was still useless and nothing before God!.

Think about your life Pastor, Evangelist, Teacher, Prophet, Pope, Arch bishop, Elder or worker in the church, who are you really?. Jesus is calling us to separate unto him, to burn off every chaff in us. Jesus saw the same chaff in Peter's life in Luke 22:31-34 and he told Peter loud. Peter did not accept the dealing. In Peter's refining process, Christ allowed him to pass through a humbling experience so that when it is over other disciples will learn from him. Anybody that did not go through humbling experience cannot sustain the glory or anointing of the Lord. It takes divine refinement to burn off the chaff in our lives. Hello brethren, God cannot consume any chaff in you without encounter and submission. Tell God to encounter you and cause you to stand firm. You will only pass through such encounter once. Say this short prayer: *"Oh my God, allow me to have the encounter with you that will enable me burn off the chaff in me, Amen"*.

CHAPTER 3

DEALING WITH IDOLATRY

Ezekiel 23 talks about two sisters, daughters of one mother. Their names were Oholah, the older one, while the younger one was called Oholibah. They committed harlotry in their youth,

in Egypt, even when they belonged to God. They flirted with the Assyrians, their neighbours, ***"which were clothed with blue, captains, rulers, all of them desirable young men, horsemen riding upon horses"***

This is the worst harlotry one can play against God. These two sisters started early with their God, even in comfortable or uncomfortable situation. They were moving in the same line with God in obedience, in love and steadfastness, but along the line they left their first love, and degenerated the standard of their God by going down to Egypt and to the Assyrians and lusting after their wealth, captains and rulers, all the desirable young men, the wealthy gays, the horsemen; that is the men in power, in government, the military men. They played harlotry because they wanted food, cloth, house, money, position, recognition and enjoyment. God did not give Israel full peace. He troubled them always with one thing or the other, just to draw them closer to himself in keeping his status, commandment and law. Multiple problems are what they encountered, which is what God always uses to draw our attention to Him. But when it becomes well with us, we usually go astray, in pursuit of life and worldly cares.

They remembered the cucumber, onions and meat they used to enjoy in Egypt, they went far in idolatry with, them and found it very hard to come back to their maker. And God also delivered them into the hand of their lovers, that is, the evil they loved doing because they refused to keep God's commandments.

Church of the living God, we have been playing harlotry unto God. God is so unique and so perfect that he cannot accept mixture of truth and error. Whatever God hates, it remains so He does not change to please anyone. God has his standard and we must meet up to it. From my personal experience, anytime I deviate from God's way, I am usually exposed and disgraced.

I went to a crusade in Liberia with some ministers. As we were in the Hotel, I heard a female voice outside our room. The person spoke Igbo, my language. One of the ministers said, "Mummy can you hear your sister?" Without giving it a second thought, I opened the door for her to come in and greet us. I welcomed her with a smile and hugged her, then we introduced each other. She was quite stranded in Monrovia and we decided to let her sleep over in our room. After discussing all night on truth and falsehood going on in the church, with some arguments, as she objected to some of my views. I didn't have to argue with her since God had warned me not to argue on truth, that whenever I speak His truth, I should just allow Him to convince his people by himself. Later we slept off, early enough for us to wake up to do our midnight prayers. As we woke up, she said she had a dream but couldn't share it with us openly, she would rather discuss it privately with me. I told her no, that it was not proper for

her to keep the dream or talk about it in private, for if God wants to expose the misdeed or evil of any of us, He will do it openly, in the midst of the people.

I added that if the dream had anything to do with me, by God's grace I did not have any fear or shame again. It is lack of open rebuke that is killing the church of God. After much persuasion, she said she saw a woman in the dream that was romancing her to the point of making love with her. That means the woman in the dream was practicing Lesbianism with her. She struggled to separate herself from the woman, and this woman was a woman of God that was well known to people. As she spoke, my spirit told me I was the woman she saw in the dream. I suddenly became quiet. I remembered that the previous night, someone had had a similar dream in which I was seen in a saloon fornicating. I reflected on the two dreams and I knew that God was trying to tell me about spiritual harlotry. I shouted and told them that I was that woman she saw in the dream.

The woman was also a Pastor who came for church programme in Liberia. She was surprised at my confession and she admitted that it was actually my face she saw, but she did not know how to say it openly. She wanted to protect my personality but God wanted to hold up that personality for public examination, so that I could be finally healed. Hey, what a night of exposure! I started thinking how I got myself into this mess of argument. God took me to Ezekiel 23 and told me that it was spiritual lesbianism we practice, so why did I argue with her at first? Hadn't he warned me not to help him explain his words; If I speak the truth, it was enough, so I should leave him with the rest.

The woman of God broke into tears, and she began to beg me for the embarrassment she thought she had caused me, but I told her no, and I also begged her for arguing with her unnecessarily at first.

That night we read about Oholibah whom we see as ourselves. That night we cried bitterly until we were broken in spirit. We repented of harlotry. Let us know this: anything we do outside God's commandments is harlotry. Stop covering up things in you; before God exposes it, deal with it and free yourself.

Look at the way God takes his people-, the Israelites in Hosea 2:2-4. God, like a husband, took Israel as his wife, telling Israel not to be adulterous or else he will strip them naked as in the days they were born (Verse 5). God explained the areas of their harlotry; they go after their lovers who give them bread and water, wool and linen, oil and drink, all these things that push them away from their husband in pursuit of worldly pleasures. No woman divorces her husband just for the fun of it. Women often divorce their husbands when they believe the men are no longer capable of supplying their needs. Israel would divorce their God simply because they felt

God could not give them all the pleasures they wanted. So they had to seek for another means of satisfying those desires.

That is usually man's carnal sense, but God's way is different. God is the all-sufficient one who gives all to those that follow his commandments. But man always wants to follow the short cut. You can't eat your cake and have it. There will be no chance where God's law and commandments take second place, that means you are a harlot.. And God is just and Jealous; he hates mixture. You can't serve" him with other gods.

I would narrate an experience I had with harlotry with God. My I husband involved me in his business and the business was doing fine, but at a stage it began to collapse and I could not meet up with my own side of the business. Suddenly debts began to pile up. This led me into many churches, seeking for prayers to halt the downward! slide, but what shocked me and confused me is, the more prayers I made, the more problems came for the business. I soon found another group of pastors who called themselves land deliverers. They followed me to my father's house, in my village, for land liberation. After the long prayers, the situation rather worsened. The week after the land liberation, the big lorry that was bringing my goods fell and all the goods got damaged. It got so bad that I became totally fed up with the business and life. I was in this situation when God appeared and led me to a man of God who became my mentor. His name is Lambert Okafor. It was this man who revealed my calling to me and directed me the way to go, like Eli directed Samuel to answer his call.

When I answered the call and devoted my time to serving God, things began to change and peace returned to my life. But I had to abandon the business to face God. To be honest it was a tough decision to surrender my shop. Before I finally gave it up, I suffered humiliation, because I could stay for weeks in that Shop without selling a single item. One day I cried to God and entered into a covenant with him. I told God to bless my husband, so that he could at least continue with business while I face God. And God answered!. Do you see the lesson in this? For whoever God wants to use, he cannot let go until his will is done. God had chosen me but I decided to play harlotry by doing business of buy-and-sell, instead of facing God, and He had to punish me by making sure the business did not succeed. I was playing harlotry outside the will of God for my life and God persisted in troubling me until I surrendered to his will. God hates idolatry. You might have chosen a life style that does not fit into God's plan for you. There are some that even go to church regularly, they participate in church programmes devotedly, they appear serious with things of God, they are religious, yet they worship Idol, either because they have too much interest for materials things or they have taken their Pastors as their personal God. Idolatry is not just about kneeling down and pouring oil or drink on a wooden object in a shrine. Idolatry is also about paying too much attention to a particular thing you like or love, instead of focusing on God.

Many even go to church nowadays, not because they truly want to worship God, but they go after miracles. They go from one church to another looking for miracles. Many do not even know the source of the so-called miracles, signs and wonders. Brethren, all miracles are not from God. All miracles, signs and wonders done with Satan's power are idolatry. Some spiritual works that you are given objects to use, and some that are followed with incantations are demonic, produced to appease or glorify certain Idols or gods.

Psalm 66:10 -12 talks about the awesome work God did for children of Israel in the wilderness. God blocked all the short-cuts Israelites I can easily take to enter the promise land. He even hardened the hearts of people of neighbouring countries not to accept them. God had to do this just to test their heart and to humble them, as shown in Deuteronomy 8:2 - 3.

At the end of God's tough test which lasted for 40 years in the wilderness, they now testified to God's awesomeness, as written in Psalm 66 : 10 -13: ***"For thou, or God, hast proved us,. thou hast tried us, as silver is tried. Thou broughtest us into the net, thou laidst affliction upon our loins. Thou hast caused to ride over our heads, we went through fire and through water; but thou broughtest us out into a wealthy place"***.

God knew his people (the Israelites) were too deep into Idol worshiping, and he was determined to separate them from the evil practice, so he made them spend several years in the wilderness so that they would naturally forget or discard the culture they learnt in Egypt. It was not easy at all for them to change, and God being a just God, could not accept compromise, he insisted on the standard He wanted for them, which all the elders could not meet up and they all died in the wilderness, to give way for the young ones-uncorrupted, to inherit the land of Canaan.

Church of God, God is too pure and holy to accept our mixture of paganism and Christian worship. There must be total separation. It is hypocritical to present ourselves as holy while we are dark at heart, but it will be dangerous, after reading this book and knowing the truth, to still refuse to open up yourself completely to God and to the church. Expect exposure and instant judgment. Evil must go . You must stop eating the poisonous food with the woman of Babylon. She presents to you flashy things, which seduces and make you lust after material things, you may have them but at the end they lead to destruction.

The woman of Babylon, as earlier mentioned, and described in Revelation. 17, is very attractive and seductive. She gathers together and surrounds herself with those things the world regards as great possessions of material wealth. Her external glory is designed to appeal to the natural heart and imagination of man. She wins the hearts of Christians subtly by weakening their quest for God. She holds a golden cup in her hand which contains the wine of her seduction and people drink of it. It makes them go mad, drunk and confused.

Hey! this woman has finished mankind and has dried up the anointing of authority and power Jesus gave many. To crown it all, she swallowed the love of Jesus in them. That is why many cannot think deep concerning the death and resurrection of Jesus, then redirect their steps. Rather they are occupied with worldly pursuits. We never think of rapture again knowing that Jesus must come back very soon. He must come she promised. If you don't believe, I believe and my family and I are expecting his glorious coming.

God is God of orderliness. I once had a revelation in which I tried to enter a church where a big ceremony was taking place, and a governor was attending the service. Everybody was gorgeously dressed. The women were in their flamboyant native dresses, with big Geles and looking radiant, but I was coming in almost dirty in appearance, when compared with the glamour in the church; I was wearing one of my old dresses. As I made to enter the Church, one of the security men ordered me to stop, and I was asked to stay outside near the altar. I tried all I could to convince him to let me in, but he refused, because he said that was the instruction given to him, not to allow me in because of my dressing. So I went to sit where he suggested for me, but I was not seeing everything that was going on inside and I was very angry, then I woke up. As I woke up I started thinking what this revelation was all about, then God told me I must put off all forms of idolatry in my life to enable me to enter inside, which is the kingdom of God. If not I will run up and down in ministry work, at the end I may find myself outside- perhaps at the lake of fire.

The old cloth I was putting on represents my old self- the bad part of me that I should have thrown away, before coming to God's kingdom. And since I did not do that, God could not allow me to mix with the people with the new dresses- those who have thrown away their old selves and have been redeemed. What will take us to God's kingdom is not our service or religion but our true character. After this revelation, I cried to God not to leave me to labour in vain in his vineyard, but should have mercy on me and change me completely to whom He wants. I sincerely understood that I had gift without fruits, which is the most dangerous and destructive thing that can happen in one's life.

TO BE BROKEN IN SPIRIT

There are certain encounters or situations that we would face in life, even when they look tough, bad, insulting, demeaning or provoking, God may just be using it as an instrument to humble us, and we should be alert to learn from the experiences they offer. It may just be a refining process.

Refining time is a painful period, and the refinement may come through your husband or wife, children, neighbours, close friends, relations, in-laws, your colleagues, even your mentor or

boss, just to knock out something undesirable in you and plant a new seed in you. I could remember when my husband was alive; he would leave his boys, even my house help, and call me to pack dog's shit. He would even shout on me to ask why I left the compound unswept. Imagine this man, when we had up to four boys and two house helps, and he would be shouting on me in the presence of people to ask why I did not sweep or wash the dirty dish in the kitchen. I had to wash the plates the boys dumped in the sink early morning before preparing; my children for school. In the beginning it was not easy for me at all. It hurt me so much, but because I understood that God wanted to humble me, by making me not to "*carry my madamhood on head*", I took it and obeyed.

Someone may gossip with your name and tell people of what you did not do: The person spreading such rumour or lies may even be very close to you; she may be your sister or brother, friend or brother in the Lord. The character damage may be so bad that naturally you want to react, sometimes, violently, but God will tell you to keep quiet and that he will speak for you. Unfortunately, when God directs this way, many find it hard to accept it, they still want to speak for themselves or fight, to show their innocence. But God said keep quiet!

The truth is that when we are innocent and we keep our peace, God will open up the truth and expose the liar or the mischief maker, and he will touch the offender to be sorry, then apologize to you.

I had an experience on this with a sister in the Lord who was so close and dear to me. I spent my time and money on her. I always prayed with her and we shared each other's joys, fears and concerns. Unfortunately, enemies used her so much that she began to hate me. Soon she began to gossip about me, from house to house. She even travelled to my village telling my mother and my older sisters different stories about me, that when I heard them I was shocked. People were even calling me to find out what was wrong between me and my sister. Of course, I didn't know what to tell them. But before this started, God had shown me what she wanted to do. One night, I saw her in my dream in which she was using gun to pursue me, but I escaped. While I was wondering what this was all about, God explained to me that she did not intend to kill me physically, but could do so with her mouth, which is called character assassination. God told me when this happens, it will pain me deeply, but I should not react or revenge, that later she must be sorry and come back to me at the end. I took it and believed God. Not long after this revelation, this sister of mine spoilt my name so bad that if not for God's grace, I wouldn't have been able to control myself. I also called her for discussion, but she refused and left.

She was away from me for three years. Surprisingly one day my phone rang, it was her. Before she called, I also had a revelation in which she was making attempt to come back to me, to

reconcile, but she was held back by shame. Then I told her in the revelation not to worry that I had forgiven her, but it was not easy for her to believe.

And in truth, in real life, I forgave her. So as she called and spoke, I answered cheerfully. She informed me that she had given birth to a baby boy and I expressed great joy for her, asking her to visit me once her baby is strong... God is the God of encounter and he will always meet us at the point of our doubt or weakness.

CHAPTER 4

OVERCOME YOUR WEAKNESS

The choice is ours to obey or disobey God. I understand that whenever we rebel or disobey God, it is because we choose to disobey God, not because somebody made us to disobey him. When we fail to walk in obedience to God's word, it is not because we do not have power over sin, but it is because we do not want to be controlled by the inner voice; we always want to express our free will. We do rebel against God because we yield easily to our free will.

Normally, if I decide to do one thing or the other, I must do it. If I decide to forgive anyone who offended me I must forgive the person. If I don't want to eat any food I don't like, I will not taste it. If I decide to cut any relationship I do not like, I must cut it. I decide not to travel to anywhere, I don't move. If I decide to resign from any office I am, I will write a resignation letter and quit. Whatever I decide to do, I do it.

For example, after my husband's death, I decided to keep to myself and I made a covenant with God that I will never mess up with men, no matter the pressure on me. By the grace of God who made me to be whatever I am, this has become a constitution that governs my life. Everyday I renew my cry to God to help me keep to this law of my life, and God has been so faithful.

To be honest, it was not easy, for a young widow like me to stay away from men, being a romantic person, I never knew I could stand it. The pressure indeed came from all angles, but I stood firm with God's grace. God used what I like most to upset me, yet he was there for me to overcome. It is this experience that has made me to believe that with God all things are possible. Most times we can do without the things we thought we cannot do without, just stand on the word of God and he will be your strength.

It is obvious that:

- (1) We are willfully rejecting God's will and asserting our own will.
- (2) We are willfully rejecting his word
- (3) We are willfully opposing God and his authority
- (4) We are willfully disregarding the blood of Jesus that has made it possible for us to have power over sin and walk in obedience with God.

In the garden of Eden, Adam and Eve made the choice to disobey God's commandment, not to eat from the tree of knowledge of good and evil, so as to enjoy the blessing that was in the garden of Eden. The alternative was to disobey God, forfeit the blessings and die thereafter. Satan had absolutely no power over them. It was Adam and Eve that yielded their will to Satan as they chose to disobey. I refer you to Genesis 3:1-6. Here God warned them not to eat of the forbidden fruits, yet they decided to eat it and die.

When God says don't eat this, rest assured that he has provided alternative for you to eat. He is not a wicked God, he did not mean to starve Adam and Eve but to discipline them. Now Jesus has set up a standard for us again in Matthew 5:21- 26. He admonishes us to live in peace with all men, reconcile issues with one another, no matter how hard it is.

God is God of justice and will always make us reap what we sowed. One of my babies in the ministry, after completing her 'O' level, waited for years to complete her result so as to get the necessary entry requirements to enter University. This did not work out. So while she was waiting, she decided to look for job to earn some money to sustain herself. This too, she couldn't get. Everything in her life was closed up. She became fed up. After meeting with me, I told her about indoor programme. So she stayed indoors, with prayers, to be separated unto God, to know exactly what was wrong with her. As she stayed, in her dream, she saw a vision where she was walking and four children from nowhere held on to her; holding her dress with force. She could not move, just then a voice came unto her which referred her to Matthew. 5: 21 -26. As she woke up, she checked the scripture, and the spirit of God told her that those children holding her dress were four pregnancies she aborted. She became immediately alarmed and restless. She went to her parents and confessed to them, she did not only stop at that, she also came to the ministry and confessed openly her sins with regrets. We prayed for her.

Brethren, we should not be afraid or ashamed to look back, confess our sins and turn a new leaf, because that is surely how to free ourselves of every burden and be right with God who knows our beginning and the end.

The children of Israel were given choice to obey God's commandments and enjoy the blessings he had promised them, according to the covenant he had with Abraham. The children of Israel yielded their will; they rebelled. Again and again, God pleaded with Israel, yet they refused to hear him. They hardened their hearts and chose instead to follow their own way. They rebelled, instead of taking possession of their inheritance and the blessings of God. They chose curse and death. This could also be anybody's lot, but Isaiah. 1:18-20 is giving someone another chance. In Deuteronomy 8:1, God says: **"All the commandments which I command thee this day shall ye observe to do, that ye may live, and multiply, and go in and possess the land which the Lord swore unto your fathers."**

There is a point here. Multiplication and possessing the land is sure but there must be carefulness in observing God's commandment before expecting things. No wonder God said seek first God's kingdom and his righteousness, and every other thing shall be added, but people tend to want it the other way round, that is, seek everything first before the kingdom of God and his righteousness. It is this wrong approach, and man's insatiable lust for wealth and power that will not allow him follow God's own Law or Principle. Have you wondered why a man will take his beautiful wife or/and the wonderful child God gave him and use them for money-making rituals? Some would use their mother and father. After getting the satanic wealth, and peace and Joy still elude them, you see them running from one church to another, seeking for deliverance. It is a pity, no church will save them, they must pay for their sins.

Many so-called pastors are also involved in bringing occultism into church. Instead of allowing God to build their ministries gradually, they rush into bringing in familiar spirits and marine power into the Church, so that miracles can take place in the church auditorium. I want to belong, let them hear my name, let me move around town in a fleet of cars. Unfortunately, they are initiating people into cults, into marine kingdom, which give them fake blessing that will not last.

If you are one of them, reconcile now back to God, throwaway all those gods and goddesses that govern you. Look at Isaiah. 1:18 -20. **"Come now, and let us reason together; saith the Lord, through your sins be as scarlet, they shall be as white as snow, though they be red like crimson, they shall be as wool, If ye be willing and obedient, ye shall eat the good of the land. But if ye refuse and rebel, ye shall be devoured with sword, for the mouth of the Lord hath spoken it"**

In Deuteronomy 8:5-6, God says he must chastise us, because he is our father, to direct us to keep these commandments, to walk in his way and to fear him. But we are still naked and stubborn, in the sense that we want our own way, to keep to that pursuit, which has been hindering us, from the blessing of God. But how long shall we continue to suffer brethren? The promises of God to us are clear, yet we are still suffering, because we don't want to take God's

chastisement. It must stop. Joshua 24 : 15 says: "***And if it seems evil unto you to serve the Lord, choose you this day whom ye will serve, whether the gods which your fathers served that were on the other side of the floor, or the gods of the Armories, in whose land ye dwell,. but as for me and my house, we will serve the LORD "***".

We have the choice to obey God and live in victory, enjoy his blessings and inherit eternal life, or to disobey him and live in defeat, forfeit his promises and be punished with everlasting destruction. Let me repeat, our will is a powerful force which determines the course of our life. No one can take it from us. Do you know that Satan cannot cross the boundary of your will? He cannot make you sin neither does he has the power to stop you from obeying God. Always bear in mind that we are responsible for our actions. We alone have power over our will as revealed in Matthew. 4:1-3. Jesus overcame sin during his temptation and he also overcame sin for us on the cross, therefore since the power of sin is broken in our lives and we have been given power to obey, we must not allow sin to overpower us. Paul was telling the Romans in their time that they had power over sin, so they should stop yielding themselves to sin, but to God.

THE CHOICE IS OURS

Since Satan has no power over our will and cannot make us disobey God, his strategy is to gain control of our will by tricking, tempting and deceiving us into yielding our will to him, through disobedience to God our maker and saviour. What joy do you derive in making God sad every moment of your life, even when your conscience tells you that what you are doing is wrong? For you to overcome your weakness, you must be humble.

Humility is the act of bringing yourself lower than what you perceive yourself to be. It is seeing yourself as nothing before God and man, not minding your age, experience, qualification, beauty, stature or position. Even in your own elevated position, you still see everybody as somebody, worthy to be recognized and respected. It is also being able to communicate with the poor and rich, young and old, with unbiased mind.

A humble person takes all from anybody, without minding who the person may be, whether big or small, and still show genuine love for that person: Humility is one of the characters of our Lord Jesus. He was humble even unto the death on the cross of Calvary (Philippians 1:2-8) and he also showed his disciples many examples of humility. In Matthew 18:1-15, Lord Jesus thought them to be like a small child, that is to say for one to be humble, you must have the heart of a little child that forgets things easily. In John 13:1-10, Lord Jesus washed the feet of his disciples to show them to be humble. Jesus humbled himself to wash the lowest part of man's body, that is his feet; So he expects all that serve him to do the same.

This same way Jesus is demonstrating to ministers of God to serve the congregation and others as servants. Unfortunately the reverse is the case nowadays, as ministers of God and the G.O.s revel in being adored and worshiped by the congregation. The power of the anointing is so much that the ministers want to be recognized and praised for it. They easily forget that God gave that anointing for us to be able to serve the people and to freely bless them. The anointing is not for us, but for the congregation.

We sit on high seat with such royal pomposity that people cannot reach us to wash their feet, not to talk of us climbing down or descending so low to wash the feet of the poor!

It is so appalling what is going on in the church of God today. Many things have been turned upside down. Many Pastors now call themselves G. O. and they are so exalted that it will be easier to see the American President than to see them. They have become special breed that you can't meet unless you belong. There are some you even have to pay money before you can see them.

Today ministers cannot think of how to care for the poor, widows and orphans in their midst, rather all they care about is how to dress in designer suits and shoes, wear expensive Jewellery, to be escorted by a fleet of luxury cars and to raise more money to appear on International Satellite T. V. channels, build personal mansions, building schools, big cathedrals and buy private jets to fly to countries of the world. Some even involve themselves in drug business. They answer big names while they are nothing. Apostle Paul said if you want to boast, boast in your suffering and your affliction, also boast in the amount of souls you are sure will make heaven under you, not those who answer altar call during crusade or church service, which you can't tell of them tomorrow. I mean souls you have nurtured for God and put treasures in them. People you are sure will make heaven when rapture takes place today.

Apostles of old had welfare departments and they shared work among themselves on how to take charge of food and substances to feed the church. They shared things in common and carried on with the gospel from one place to the other, crossing seas and oceans. But where is the power of Evangelism today?

The true test of what we achieve is in the number of people we bring to Christ in our respective ministries, in true worship. Many ministers cannot even say with certainty, of any soul making heaven in their church. But they will gladly give account .of members who have become wealthy or received miracles in their churches. I have a question, what shall we tell God at the end of this session on earth? Have we forgotten that we must give account of our work? And all our work must be tested by fire as written in 1 Corinthians. 3:13-14. ***"Every man's work shall be made manifest,' for the day shall declare it, because it shall be revealed by fire, and the fire***

shall try everyman's work of what sort it is. If any man's work abide which he hath built thereupon, he shall receive a reward"

We are always busy counting how many members we have, no wonder pastors can no longer preach the truth in the church, simply because they are seeking for members. The wealthy ones are highly welcomed and the pastors don't want to know how these ones made their money. How many men of God today would pray and ask God whether they should receive gift or tithe from some people they are not sure of? Or does every blessing come from God? Does every seed sowing come from money blessed by God?

Oh! The ministers are going astray simply because they don't have deep intimacy with God where discerning spirit will reveal to them who is who. They have lost confidence in God's ability to provide, and that makes them to turn to 'beggars' and losing respect before their congregation and society at large.

Today many ministries have perfected different styles to raise money for projects and many ways of collecting offering, simply because they are not focused on God. They build their confidence on members. We are no more kneeling down before God in prayers and fasting, to touch people who can carry out the task and supply the needs of the church, as God gave the apostles son of encouragement in Acts. 4 :32-35: ***"And the multitude of them that believed were of one heart and of one soul, neither said any of them that ought of the things which he possessed was his own, but they had all things common. And with great power gave the apostles witness of the resurrection of the Lord Jesus and great grace was upon them all. Neither was there any among them that lacked,' for as many as were possessors of lands or houses sold them, and brought the prices of the things that were sold. And laid them down at the apostles' feet and distribution was made unto every man according as he had need"***

Here we can see that none of them lacked because people were selling their belongings and laying them at the apostles' feet. We can see that God gave them sons of encouragement in their time, like Joses, surnamed Barnabas, meaning son of consolation.

Where is your Son of encouragement today? Perhaps you are not seeing sponsors today because you refuse to allow God to bring them, instead you choose to bring them through deceptive ways. Pray to God to expose your weakness. Our brother Paul knew his weakness and cried out for God's help, and God told him that His Grace is sufficient for him.

What is your weakness? Do you fear public assault? Do you get angry quickly? Do you hate being hungry? Do you hate trekking with your legs? Do you hate people lying against you? Do you hate disgrace? Do you hate people looking down on you? Are you dying of lust? Is masturbation your problem? Do you steal, even petty stealing, when you don't need what you

are even taking? One of my best ministers-a lady, who was so gifted and had zeal for God, had this weakness of stealing. She had to be delivered of it.

In the Bible, Moses weakness was anger and we know where this eventually led him into. Are you always afraid of being poor? My dear you should know your weakness that always bring you down. The first exercise is to know what your weakness is. The second is to realize how destructive it is. The third is to hate it. , Fourthly, you must be determined to stop it at all cost. Number five, you must do it fast.

I had a weakness of lust from my childhood. It has been tormenting me so bad, even when I got married it couldn't let go. Even as a minister, I used to be knocked over by handsome men. I was being eaten raw by this secretly until God exposed the secret of the. Holy Ghost School to me, where I can quietly submit myself to God's X-ray and treatment. Before then, the spirit of lust really tormented me in different ways.

I used to see myself in the dream fornicating with my father, even my brother and my son. As I Prayed, God began to expose the spirit behind it. It was a spiritual husband that was leading me into these acts. I now began to cry out in prayers during my covenant hour. So one faithful day, the spiritual husband now appeared to me clearly and I stood boldly and challenged him with a sword in my hand. I went after him and slaughtered him.

His blood splashed everywhere. I was singing even in my dream and I woke, up with the song in my mouth. I began to thank God. for the battle won, and since then I became myself, no more lust, by the grace of God. Praise God.

Most of our weaknesses is spiritual, that. is why sometimes it becomes tough to conquer. Please get to the root of your weakness and uproot it. God will be with you as you fight it. What are your spiritual words? Have you allow flies to be swarming your wound? One of the most devastating ways the devil has been using to get Christians is to develop theologies and beliefs in wounds and failures. You see and hear people praying, I want to be like Paul, instead of being like master Jesus. It is for this reason that Satan is called Beelzebub, which means "*Lord of the flies*" because the spiritual interpretation of flies is lies, many people have wounds and they allow flies to swarm them. My dear, if God opens your spiritual eye to show you how flies swarm wounds and wound attracts these flies, to become breeding ground for infections and disease, you will shake in fear. Each wound, no matter how small, can be used to darken our vision and cause a small veil to cover our ability to go forward in faith.

The Bible says in 2 Corinthians 3:18.. ***"But we all, with open face beholding as in a glass the glory of the Lord, are changed into the same image from glory to glory, even as by the spirit of the Lord. "***

No veil will allow us to behold the glory of God, no matter how small, veil is veil. We must behold the glory of the Lord with an *"unveiled face"* to be changed into God's image. In the ministry too, the enemy can use it to darken our hearts so that we may not be able to advance the purpose of God.

We cannot walk in this world without suffering some wounds, trials, because the Bible says that trials must come but we must learn to accept them when they happen as part of the refining process. We must get over them and keep on going, instead of being crippled by them. Things that will offend us must come, but let us know that truth is greater than lie, and that love is stronger than death.

CHAPTER 5

THE TIME IS RUNNING OUT

Hello! world, the time our Lord Jesus gave us has expired. It is already midnight hour. Something may happen any moment from now. I had a revelation where I found myself in the day time going somewhere, people were also moving but in a twinkle of an eye the bright day began to get dark very fast, and it was a strange thing. Everybody began to run helter-skelter and everywhere was completely dark. I was screaming and telling people that this was the end of the world.

When I woke up, God told me how sudden the end will come. God says when he is talking about the end of the world, he is talking about his harvest because he can't close the chapter of earth without reaping his harvest. He took me to Revelation 14:14-16: ***"And I looked, and behold a white cloud, and upon the cloud one sat like unto the Son of man, having on his head a golden crown, and in his hand a sharp sickle. And another angel came out of the temple, crying with a loud voice to him that is sat on the cloud, Thrust in thy sickle, and reap for the time is come for thee to reap,' for the harvest of the earth is ripe. And he that sat on the cloud thrust in his sickle on the earth; and the earth was reaped."***

I had another terrible revelation that shocked me, which made me to know that we are indeed at the edge of the end of this planet. In this revelation, I saw myself going towards the market, and market is a symbol of the world. It was getting dark but there was so much breeze that showed that it was going to rain. The breeze became very strong and people began to park their loads in the market, then the rain began to drop and pouring down so heavily. Surprisingly in the midst of all this, I saw an artist singing gospel music in Igbo, my language:

I we chukwu na abia
Iweooo I we chukwu na abia O gini kam ga erne
Umu nnem I we chukwu na abia llee ebe kam ga eje
Umu nnem I we chukwu na abia
Mmilia na elu na igwe obu onye ka oga ama
Mmili I we nke chukwu a makwaram
A gam esi ugua were gbaba oso ndum
Kam were gbanaru I we chukwu
Oku ikpe Nke chukwu elekwalam
A gam esi ugbua were gbaba oso n dum
Kam were gbaraga oku ikpechukwu
I we chukwu nabia I we chukwu na abia.

This is the meaning of the song, in Translation:

Anger of God ooo
The anger of God is coming ooo
Anger of God ooo
The anger of God is coming
What would I do
My brethren, the anger of God is coming
Where will I run to My brethren, the anger of God is coming
This heavy rain that is about to-fall Who is it going to fall on?
Heavy rain of God please, don't fall on me

I would start now to run away for my dear life

To run away from God's wrath

The fire Judgment of God, do not consume me

would now run away from the fire of God

To save my life from the Judgment of God

Anger of God is coming Anger of God is coming.

As he was singing there was continuous heavy downpour of rain and the whole place was completely flooded. We tried to protect ourselves from the rain, yet we could not and we got completely soaked. Many things got damaged because we could not protect them. As I woke up, God took me to Matthew 24: 37- 38 ***"But as the day and hour knoweth no man, no not the angels of heaven, but my father only. But as the days that were before the flood they were eating and drinking, marrying and giving in marriage, until the day that Noah entered into the ark..."***

God told me, Uju I have given you a task, go and shout it to the whole world, tell them that the cloud is dark; it is about to rain. Tell the world to build their ark now before the rain. It is going to be like in the days of Noah as in Matthew 24:37. It is going to be horrible in our generation because we are worse than all other generations before us. Let us have a look at Genesis. 6:13-17. God openly told Noah that he will bring flood waters on earth to destroy, from under heaven all fresh in which is the breath of life everything that is on the earth shall die. One thing about God is that he can never say something he cannot do. Whenever God remembers a generation it must be do or die. God accomplished every word from his mouth concerning Noah's generation. Jesus said as in the days of Noah so shall it be in the days of son of man.

If Jesus said it is going to be so, therefore let us know that as God wiped away Noah's generation, so shall he wipe us away, except we do what the people of Nineveh did in the book of Jonah 3:10. This great city of Nineveh heard that "yet forty days and Nineveh shall be overthrown:" This city had witnessed how the flood overflowed the entire world in the days of Noah.

They also witnessed the brimstone fire, of the great city of Sodom and Gomorrah. So as they heard that in 40 days Nineveh shall be blown away, the king called the whole city even the livestock, to repentance and reconciliation unto God.

God's plan of redemption will never fail, even though Satan has been allowed to do his course for 6,000 years, which has proven the nature of sin. In Revelation 14:6 ***"And I saw another***

angel fly in the midst of heaven, having the everlasting gospel to preach unto them that dwell in the earth, and tongue, and people."

A task was given an angel to carry out in the midst of heaven with everlasting message which is the last message before the seven last plagues (Revelation 16) which will be visited upon the world. It is true that the angels are all ministering spirits, sent to minister to those who will rise with Christ, but all these angels are symbolic of the people of God-the end time army of God, who will be on earth at this 1st hour, ministering this new message of sanctification, of cleansing the altar, through judgement message. As God told Daniel in Daniel 12:4-13, In verses 9 and 10, God specifies the quality of the group of people that will carry this everlasting last warning judgment message that God told Daniel. God said he will purify a group of people, refine them and make them white. So examine yourself, if you are not purified or refined, no hope for you.

But there is still chance and time for us to run into the presence of God where all these qualities will be put into us.

However, you need to be conscious of the fact that the preparation is on now. Be part of the Holy Ghost Schooling by observing your Sabbath hour in the presence of God. This everlasting gospel must be proclaimed world wide, so that mankind will not go astray by worshiping the beast, as pointed out in Revelation 13: ***"Fear God and worship God alone for there is only one God, one gospel, one truth. Can God do anything without revealing to his people? "***

No! God has always been concerned about the well being of his people. He has a tender and a loving heart and regard for his children. He never takes his children by surprise because he is a merciful God. He always tells his children his future intention. Surely the Lord will not do anything without revealing his secret to his people.

Amos 3 :7. Look at these great examples in the Bible:

- (1) When God was determined to destroy the wicked people on earth with flood, he revealed his plan to Noah.
- (2) When God wanted to destroy Sodom and Gomorrah, he revealed his plan to both Abraham and Lot (Genesis. 18: 17-20.)
- (3) Even when God wanted to destroy Nineveh, he revealed it to Jonah before they were restored, after they repented.

These examples show that God would always speak through his prophets by giving them warning messages, so that those that have ears will hear. Bible says, believe in the Lord so you shall be established, believe in the prophets and you shall prosper (2 Chronicles 20 :20)

Brethren, time is running out, it is no more on our side anymore. Wonderful and loving children of God what are we waiting for? Alarm bell is ringing now in our ears, so that those that are following the wrong way can make U-turn to our maker, with broken heart, to start afresh. God's hands are outstretched, to welcome you.

God told me that the screening of the world is going on. I had a revelation in which I saw some security men called vigilante. They were carrying long machetes. They blocked all the roads, leaving only one road for people to pass through. They were conducting a test on the people.

I was scared at seeing this fierce- looking men, so I glanced hurriedly for any short cut to run away. But each time I turned to any escape route, these guys were there, and they would seal the road. I began to run helter-skelter looking for a place to hide, but alas, there was no hiding place. What scared me most was their way of identifying their victim; they would place a knife near someone's face, and if it flashes red, they will immediately cut off the person's head.

So after all this dodging, I still had to face it. I saw few people I knew, who had passed through their test, and they encouraged me to go for the test, because they felt nothing was wrong with it, that I will be freed once they see nothing on me.

I summoned courage and approached them. I never knew I was even a target, because as they saw me they started murmuring and eyeing me with conspiracy. I was trembling with fear as I submitted myself to them. They placed the knife on my face and it did not show red. In frustration they now pushed me inside their chamber to see their master. Their master grabbed me and put another chain with tortoise on my neck, for the second test. There was no sign. He repeated the test, yet it didn't show any danger. They now sent me away. When I woke up, I shouted Lord God what a vindication! I started praying and I began to reflect on my life again, telling God to expose every remaining hidden sin in me and execute them, because I understood that these men were from anti-christ. God will use them to judge the world, for the Bible says that evil shall slay the wicked. It is time for us to run away from any guilt and get ready for God judgement.

Do you know that God as the Saviour is also the judge? God told me he is about to reveal himself to the whole world as a righteous judge. He also mentioned names of many great men and women of God in our generation, saying that their own have passed, that he no longer counts on them, because they have all failed him, because of their abominable and deceptive acts they commit on the altar. He said watch, watch, you will see how they will be dropping dead one by one at the altar. I was afraid He also told me that he is raising a new group of

remnants as Nehemiah, who are concerned about his sheep. He told me that there is wind of judgment coming to blow his altar. That is why many pastors will be dropping dead. at the altar during service.

He explained that he must reveal his judgment to his own household, that they may know the power of Holy Ghost. He said He is the judge, but it will be better for us to judge ourselves before he judges us (1 Corinthians 11 :28-32)

The good news is that Jesus is calling us to repent. Regardless of where we are spiritually, in seeing visions for people, receiving revelations from God, fasting to great length, preaching to millions of people, doing miracles and wonders, doing charity works and paying tithes and sowing seed of faith and the rest of them. Even with all these, many are falling short, and that is why God is warning us today. If we heed Jesus message, and his counsel by falling back in love with him, we would fear not, even in the face of tribulation, persecution, lack and pains.

Church of God, Ministers of God, we must stop compromising. Wake up to be strong and harden our hearts against falsehood, errors and temptations that may come our way. Remember that to be rich in Christ is to be appreciative of anything we have, and to be happy in any position we find ourselves, and be contented with the anointing he gave us, and stop seeking for power from familiar spirits to grow over night, then fall over night.

We have to be clothed in his righteousness, to be very zealous with .his work and walk with him. The days are very short. Jesus is returning soon. There is no time to waste. Make use of this little time Pray this short prayer: My only darling and loving Jesus, I have wasted my time on earth, but this little time left for me and my family, cause us oh Lord to make use of it well, by returning fully back to you, and prepare us for rapture in Jesus name, Amen.

CHAPTER 6

WHO CAN ENDURE THE DAY OF HIS COMING?

My dear brethren, where shall we run to? This question came from the book of Malachi 3:1-7:
"Behold, I will send my messenger; and he shall prepare the way before me...Even from the days of your fathers ye are gone away from mine ordinances, and have not kept them. Return unto me, and I will return unto you, saith the Lord of hosts... But ye said, wherein shall we return? "

Bible says that God will send his messenger and he will prepare the way before him, before he will suddenly come to his temple. Also in Malachi 4 :5-6. Here God now specifies the name of the messenger- Elijah, and God also specifies the work he will do when he comes:

- (1) To turn the hearts of the fathers to the children
- (2) And the hearts of the children to their fathers
- (3) Lest he comes and strike the earth with a curse.

This message of preparation has been a way of God in each generation, just to reach his people and also save them from any impending destruction. This prophecy given to Malachi is talking about future event, that is the last message for the earth which will usher in the judgment of God in the church of God (Malachi 4 :1- 3). Now who is this Elijah in our days Elijah died several centuries ago, but the spirit of Elijah is still with us in our time. And that is the spirit of confrontation and exposure.

Let us go back to Malachi 4:4 ***"Remember the law of Moses my Israel with the statutes and Judgment..."*** Whenever God uses the word remember, know that there is urgency and importance attached to it. For example, when God gave ten commandments to his people in Exodus 20:8, he said: Remember to keep my Sabbath day holy. This is the only commandment God. used the word remember.

Now what is that Law of Moses which God commanded Moses at Horeb, for the people of Israel, and also what is that statutes and judgment?

Before God sent Elijah to the land of Israel, there was a mixture of worship of God and idols through King Ahab who went and took a wife Jezebel the daughter of Ethbaal King of Zidonians and Ahab and the wife went and served Baal and worshiped it. Ahab set up an altar for Baal in the temple of Baal in Samaria. The Bible says Ahab made a wooden image and all this provoked the Lord God of Israel to anger. 1 King 16: 31-33.

This is the abomination and the mixture of worship Ahab brought to Samaria and God now used Elijah the prophet to call a call of separation out of the mixture and worship of Baal. First, God opened the eyes of Elijah and showed him how the altar of God has been defiled.

Secondly, Elijah saw how Jezebel had been drinking the blood of other Prophets who went and confronted her.

Thirdly he saw how the spirit of wooden images had taken over Ahab and he built an altar in wooden image. Fourthly, he understood how Jezebel took authority from Ahab and began to rule the land of Israel, especially taking what does not belong to her by force. For example; Naboth (I King 21 :1-10). God called Elijah to go and reconcile the father back to his children, which is the Lord. The people were referred to as God's children who needed to be returned to the care of their father, which is God. Jeremiah 3: 22: **"Return, ye backsliding children, and I will heal your backslidings"** Elijah replies: **"Behold, we come unto thee, for thou art the Lord our God. "** After Ahab and Jezebel finished their evil deeds and collected Naboth vineyard, the God of heaven arose with judgment and gave Elijah these instructions:

(1) "The word of the Lord comes to Elijah, Arise go down to meet Ahab king of Israel. He is in the vineyard of Naboth where he has gone to possess"

(2) "You shall speak to him saying, thus says the Lord, Have you murdered and also taken possession"

(3) "And you shall speak to him, thus says the Lord, in the place where dogs licked the blood of Naboth, dogs shall lick your blood even your members"

Malachi 4:4 talks about judgment, do we see how the great severe judgment has come upon the wicked king and his wife.

Everything we do on this planet must be exposed in its full time. You blood sucker and flesh eater, you occult men and women who are involved in bloody rituals, slaughtering human beings like fowl. You witches and wizards who turn to birds and vultures, sucking people's blood, you armed robber and hired killers who always terminate people's lives which you did not create. You occult men who use your beautiful wives and wonderful children God gave you for money rituals, even using your parents, or house helps, know that the great judgment is coming. You that oppresses widows and fatherless children. You who want to acquire all the wealth in this life, where will you hide them when the doom comes. Where will you hide?

Use Ahab as an example. Immediately judgment came upon him, there was no way of escape. I want to use this golden opportunity to announce the hour of judgement we are in now, the hour of exposing and execution by God almighty. For the Bible says that whatever a man sows, he reaps. This message God gave Elijah is the last message for the earth. The message of truth

that will expose every hidden sin of dishonesty in our lives and in the churches, and in the whole world. It is a message of confrontation of Babylon. Showing evil and good. It is not a message of It is well. No! No!! No!!!..

In verse 20, Ahab knowing who he was and his wife also knowing that the word of Elijah to them is truth, yet he opened his mouth and called Elijah his enemy, simply because he wanted to continue with his evil ways. The heart of man is indeed desperately wicked; someone that killed innocent soul and collected his belongings, yet he still had the guts to call a Prophet, whom God sent, his enemy.

Hello, church of the living God, and church of the last days. Sending Elijah in our generation will be a horrible encounter to us, because the message will be unto us as in the days of Elijah "*How will you falter between two opinions?*" If the Lord is good follow him, but if it is Baal you choose, follow him. Hey, Hey, Hey, I laugh. It is going to be deadly.

There are thousands of churches with a different doctrines, who consider themselves as God's church on earth, But how can this be? Is all churches for God? Capital NO!.. As the Bible says in 1 Timothy 3: 15, that the house of God, which is the church of living God, must. be "*The pillar and the ground of the truth*". (Revelation. 12: 1- 17).

The three main symbols used in Revelation 12 are:

(A) Symbol of a woman who is clothed with the sun. This is the symbol of true God's church; A pure and beautiful woman is God's way of representing his church. Read Jeremiah 6: 2, and 2 Corinthians 11: 2. The woman's clothing represents the robe, that is the garment, which is the character righteousness of Christ Jesus on earth. Revelation 19 :7-9.

(B) The moon is a symbol of the types and shadow of Old Testament times, the days of Law which was fulfilled in the life and death and resurrection of Christ.

(C) The crown of twelve stars symbolize twelve leaders in the Old Testament, that is Jacob's son, and in the New Testament, the twelve disciples.

(D) In verse 9 there is a great red dragon. Here the dragon is identified as Satan or devil. After Satan appeared as a dragon of old, that is snake, from then on, he never came as a snake again, he always appear in the form of an agent. Pagan Rome was that agent he used at the time of John's vision, which appeared as a woman, which they called the mother of Christ, that is the spirit of mother and child; the mother goddess. They deceptively use the book of Genesis 3 : 15,

which brought in the mixture of doctrines in the Church. When God is talking about His church, He uses woman. (Ephesians 5 : 22-30 and Jeremiah 6:2)

(E) The male-child represents Jesus Christ, because for centuries the church had been looking for the messiah. But when the messiah eventually came, he came as a baby, 'a helpless child. He was hated and attacked by the dragon, the devil, but Jesus still succeeded by being the King of all nations.

Satan plot was to destroy Christ at birth. During the dark age, God's church was driven into the wilderness as they were persecuted, but they remained loyal and true to God. What are the identifying marks of God's church in these last days" as revealed In Revelation 12: ***"And the dragon was arrayed with the woman and went to make war with the remnants of her seed, that is, the Saints, which kept the commandment and Testimony of Jesus Christ.*** (Revelation. 12: 7)

So here, there are five marks which identified the remnants' church, that is, we the disciples:

(A) The devil is angry "with the remnants"of the church's seed. Since remnants is always identical to original group of people, the repairer and re-builders. This means that the last church will be like the apostolic church which their teaching square fully with truth of the Bible and witness of the gospel of Jesus Christ without compromise.

(B) God's last church will be a commandment keeping church Isaiah 56 :2- 8, in contrast to those who accept the teaching and tradition of man.

(C) God's church in these last days must have the testimonies of Jesus Christ. This testimony of Jesus must be the testimony through the old prophet (1 Peter 1:10-11, 2 Peter 1:18- 22 and Revelation. 19 10).

(D) This is the method and standard God will use to equip his church in these last days.

(E) Then the remnants church being the last phase of God's work on earth will naturally proclaim God's last message of truth which is found in Revelation 14: 6-14.

God's last warning message in Revelation 14 is about the falling of Babylon and also the message of reaping the earth's harvest as it is in Verses 8 and 15.

God is calling the church and the world out of the mess. If God asks this question, who can endure the day of his coming? And who can stand when he appears?

It is going to be horrible and terrible, even now the earth has started witnessing the heat of these perilous times. Please there is danger facing us. Separate yourself from any worship that is mixed with idol or paganism or falsehood, because there is a judgment coming for those who

after hearing and reading this book, continue in mixture worship. Revelation 18:1 has declared the end of those groups. You Pastors, Believers, Pope, Reverends, Prophets that are Involved in mixture worship, may God of heaven open your eyes to see the destruction coming.

WEAK IN THE HOUR OF TEST

Jesus goes on to say, Revelation. 3:10-11 ***"Because thou hast kept the word, of my patience, I also will keep thee from the hour of temptation, which shall come upon the earth, because, I come quickly hold that fast which thou hast, that no man take thy crown"***

This test has been to determine whether one is for God's kingdom or Satan's kingdom. It is for comparatively show period. So expect your own test and trials.

Early this year, God tested me with different men coming around me, because they knew I was a widow, just to trade me down. But immediately I observed that this was God's test, I made up my mind that I will pass the examination, because before the physical test, I had a revelation where I was in an examination hall, taking external exam in English. The Spiritual interpretation of English subject is heavenly language. When I woke up, I knew that some encounter was coming my way. I started praying for grace to pass the exam. So when I began to experience these encounters, I was determined to overcome. And God made me to overcome. Praise God.

When you see the things God is using to test you, why don't you say I must pass this exam, just to make God happy. It may be a test of hunger or a test of faith, still don't compromise, no matter how the fire or pressure may be. God opened the eyes of Zachariah and showed him what will happen at the last days; how God will bring the one-third of human beings through the fire, how he will refine them as silver is refined and test them as gold is tested. Then after all these refining and testing, whosoever stand the fire will call on God's name and he will say, this is my people. And each one will say, the Lord is my God. (Zachariah 13:9.) If God does not test us now, to prepare us for the coming of the beast, the anti-Christ, we shall all mess up, when the beast speaks.

CHAPTER 7

THE GREAT ESCAPE

... Behold, the Lord makes the earth empty and makes it waste, distorts its surface and scatters abroad its inhabitants. And it shall be: As with the people, so with the priest, As with

the servant, so with his master, As with the maid, so with her mistress, As with the buyer; so with her seller, As with the lender; so with the borrower, As with the creditor; so with the debtor: The land shall be entirely emptied and utterly plundered. For the Lord has spoken this word. The earth mourns and fades away. The world languishes and fades away, The haughty people of the earth languish. The earth is also defiled under its inhabitants, because they have transgressed the laws, changed the ordinance, broken the everlasting covenant. Therefore the curse has devoured the earth, and those who dwell in it are desolate. Therefore the inhabitants of the earth are burned, and few men are left" (Isaiah 24:1-6)

This revelation is telling us a way to escape from the judgment of God that is coming upon the church and the world. It is indeed a way, to escape. I saw myself in a very big market, remember that market is a symbol of the whole world, because in a market, you find every tribe and culture and religion doing business together. So I was in my husband's office, we sold many goods that day, our office was filled with money. Suddenly people were shouting from different directions. As I came out to see, it was the death of many people that was causing the commotion. People were dropping dead for no reason. There was a big shaking in the market. People were falling and dying, no one was concerned about his or her office, money and goods. At that time in our office even my husband could not tell if the money was parked in cartons. Everybody was just waiting for his or her own death. I told everybody to find their way. I saw myself going to my house to search for my children. Along the road, there were dead bodies; both white and black children, old men and women. I was afraid, but inside me I was strong. I watched people, everybody was sad, no more peace or joy in people's lives. Everybody was expecting his own death. As I reached my estate, I looked far and I saw three huge invisible men, in white apparels, holding a small object, like phone presenting it to people's faces.

I was watching them, when the object shows red, that means danger, so that person 'will die. It was now I knew the cause of all the death all over the world. I began to shout "*Confess your hidden sin*". My voice was like thunder shaking, but none of them can hear me. Suddenly I saw my uncle, Gabriel by name standing by my side.

I greeted him, he laughed and asked me, are you afraid, I said no, that God told me that he will bring his judgment on men, that this is the judgment. I was lamenting, but people could not hear me. Those three invisible men were not talking, they were only acting while I watched. I saw them again in my family house at the village and they presented their object to my step mother-in-law and I was shouting "*confess your hidden sin*", yet she could not hear me even when I came close to her lamenting, until her time expired, so she fell and died. The invisible men usually set that object for a particular time, and if it rings and shows danger, it means the person's time has expired, so he will slump and die.

As I was watching, Gabriel appeared again and asked me the same question "Are you afraid?" I said No, but people were not hearing my voice to confess their sins. So one of our security men came out, and he was caught and they pressed the object on him and he started confessing, and it got to a stage that the object hooked him, and I was shouting for people to rescue him, but no way, his time passed and he fell. But I noticed that he did not stretch his body as others do. This was because he had not finished his confession, but he still had some grace to continue. As he tried again, he got hooked in the throat, because what he wanted to say was abominable and he did not know how to get it out. Honestly, to confess a hidden sin in public, which somebody did secretly, that no one saw or heard before, is the most painful thing to do in this world.

Actually, I heard the security man confession in the dream, before his throat hooked. He said he was the one that killed one of our town men, then he wanted to mention another person this time, but he could not. These men who press the object on the people they hold, usually allow more time for a person to talk, but once this time of Grace expires, they kill the person. It is such a horrible judgment.

My 4 year old son, with Gabriel, ran to me. He said mummy, that thing that was killing everybody in the world has killed "I. K."- my Son. We rushed there and saw him, then I carried him up and a voice- like a thunder from heaven called me and asked a question, who are you to stand when judging my people? God took me to Ezekiel 9:3-10: "And the Glory of the God of Israel was gone up from the cherub, whereupon he was, to the threshold of the house. **And he called to the man clothed with linen, which had the writer's ink horn by his side. And the Lord said unto him, Go through the midst of the city, through the midst of Jerusalem, and set a mark upon the foreheads of the men that sigh and that cry for all the abominations that be done in the midst thereof And to the others he said in mine hearing. Go ye after him through the city, and smite, let not your eye spare, neither have ye pity: slay utterly old and young, both maids, and little children, and women: but come not near any man upon whom is the mark, and begin at my sanctuary.**

Then they began at the ancient men which were before the house. And he said unto them, Defile the house, and fill the courts with the slain, go ye forth. And they went forth, and slew in the city. And it came to pass, while they were slaying them, and I was left, that I fell upon my face, and cried, and said, Ah Lord God! wilt thou destroy all the residue of Israel in thy pouring out of thy fury upon Jerusalem? Then said he unto me, The iniquity of the house of Israel and Judah is exceeding great, and the city full of perverseness, for they say, The Lord hath forsaken the earth, and the Lord seeth not. And as for me also, mine eye shall not spare, neither will I have pity, but I will recompense their way upon their head" .

Hello the church of the living God, and also the entire world, what has been explained in Ezekiel 9:3-10, was exactly what I saw in my revelation. The three invisible men were the angels called to take charge over the city and kill, as recorded in Ezekiel. And indeed in my revelation, as you would recall, they almost killed everybody, and I didn't stop shouting "*confess your hidden sin*", but no one could hear me. Remember children, old and young, even women were involved. Bible says the angels were going in the midst of the city, and I also saw them in my revelation moving from one city to another: They were instructed not to touch anyone who had the mark on his fore-head.

THE MARK ON THEIR FORE-HEAD

Remember I was shouting "*confess your hidden sin*". The mark their fore-head is this "*confess your hidden sin*". God told me that as many that will sell their shame, and confess all their hidden sins to the whole world, that is having the mark of transparent life, will be saved in this present judgment that is falling against the world and the church. God now took me to his side and told me he is a merciful God, that in each generation that passes, he always bring merciful judgment, before final judgment. That he always extend hand of fellowship, before hand of destruction, and in verse 4 of the scripture quoted, God first extended hand of mercy by sending an angel to put marks on those who cry and sigh over all the abominations that are done within it.

God told me that as many that will open up themselves and confess their hidden sins, and cry over it with brokenness, and repent over all those sins, he will put on their foreheads a mark of the heavenly father, God also took me to 2 Timothy 2:19-26. God now began to teach me about the two marks that will take place on earth before the final battle between truth and falsehood.

1. The mark and seal of the living God on the forehead of his people. Revelation 14: 1
2. The mark of the beast. Revelation 13:16

In that 2 Timothy 2; 19-26, the foundation of God has already had this seal.

What is this seal? The seal is that anyone who is named after Jesus Christ must depart from iniquity. The seal is about one being transparent without hidden sin in heart. How? Verse 21 says: everyone that names the name of the lord must cleanse himself from the latter for him to be a vessel of honour, sanctified, useful to the master and prepared for every good work.

What are these latter?

1. Youthful lust
2. Unrighteousness

3. Faithlessness
4. Lack of Love .

Above all, maintain peace; with yourself and others. Peace with those who call on the lord out of a pure heart Avoid foolish and ignorant disputes, knowing that they generate strife. A servant of God must not quarrel but be gentle to all, able to teach patience, In humility, correcting those who are in opposition.

All these are the abominations we need to cry out and sigh over them as Ezekiel 9 :4 puts it. Revelation 14, is God's last warning message to his church in this end time, and to the perishing world.

John began by revealing the lamb that was worthy to open the book, and its seven seals (Revelation 5). The lamb worship in heaven. (Revelation 19:9-17). God's threefold message is especially for those living in the end time. This message in

Revelation 4 is a message of calling:

1. It is first, a call to repentance
 2. It is addressed to believers and unbelievers.
 3. It is everlasting gospel, and good news of salvation.
 4. It is world-wide proclamation, and God's redemptive purpose for all human race.
 5. It is a judgment hour message, and this great truth must not be overlooked, because he has appointed a day in which he will judge the world in righteousness (Acts 17:31)
 - 6 It was urgently of God's final call and is clear in the right of the type of pronouncement. The hour of judgment has come (Revelation. 14:7) and worship him, who made heaven and earth, the sea and the spring of waters.

Here God draws the attention of man back, that no matter how deviation or how mixture of paganism and error, even falsehood, that all living creatures on earth, in the sea, even in the springs of waters must come back and worship Him, both the beast and the king of the earth. This announcement of urgency of judgment will bring the exposure of the dragon the beast and the false prophet, that is the trinity of error. Remember in Revelation 13:4, the earth worshiped the dragon who gave the authority to the beast, and also worshiped the beast by saying "who is like the beast" who will be able to make war with him? .

And God declared in Revelation 14:7 that all must worship him alone. Here there is a controversy going on which is about the battle between truth and error. There is only one authority and power in the world, which is the authority and power given to Jesus after his resurrection. It can never be shared into two or completely shifted to another.

That is why Revelation 14:7 announces the hour of judgment that will bring and declare who to worship. In verse 8, it is written that Babylon the great is fallen, who made all the nations to drink of wine of the wrath, of her both spiritual and physical fornication. So it was this Babylon that was opposing God, forcing people of God to worship her.

I had another revelation about this evil woman of Babylon. I saw myself at a big cathedral, service was going on at the time for holy communion. The Priest came out to give people communion, then I saw a giant fair woman who looked like a mad woman. She opened her vagina widely, without any shame, and people were watching her.

Immediately the priest stood up to give communion, she also stood and blocked the Priest. She stood in front of the Priest to prevent people from taking the communion. Though, the Priest was stretching his hands, but he could not reach the people. I was shouting, look at this mad woman preventing you. As the Priest turned from his position, she also moved in that direction. People were longing to receive but could not. I was trying to let the Priest see this mad woman, but he did not see her, then I woke up.

God told me the woman in the vision is "Babylon the great" who has dominated the altar and blocked the Minister's face with her veil, not to see even when I was shouting. The Priest could not hear nor see. Then God told me to move to my church and shout against this spirit of Babylon by exposing her to my people.

The judgment has been announced, we can't hide her anymore, because she has defiled the altar of our father which Jesus cleansed with his blood 2,000 years ago, also as a result of the falling away of the church after the departure of the apostles, which Paul declared in the 2 Thessalonians. 2:1-19: ***"Now we beseech you, brethren, by the coming of our Lord Jesus Christ, and by our gathering together unto him, That ye be not soon shaken in mind, or be troubled, neither by spirit, nor by word, nor by letter as from us, as that the day of Christ is at hand, Let no man deceive you by any means; for that shall not come, except there comes a falling away first, and that man of sin be revealed, the son of perdition; who opposeth and exalteth himself above all that is called God, or that is worshipped, so that he as God sitteth in the temple of God, showing himself that he is God."***

"Remember ye not, that, when I was yet with you, I told you these things? And now ye know what with holdeth that he might be revealed in his time. For the mystery of iniquity doth already work: only he who now letteth will let; until he be taken out of the way. And then

shall that wicked be revealed, whom the Lord shall consume with the breath of his mouth, and shall destroy with the brightness of his coming” .

“Even him, whose coming is after the working of satan with all power and signs and lying wonders”

Now it has happened, the church is falling away. It is no longer what it is meant to be. Let the church of God answer the call of Nehemiah who could not rest again in the king’s palace until he requested to go and rebuild the altar of his father's land Jerusalem. We must come out of Babylon to rebuild the altar of God in the church, for the glory of God, and to prepare for the; rapture. The battle of the last days is already on. The beast, the anti-Christ is ready with his agents, but the church which is to fight him is not ready.

It is unfortunate that I have a revelation where there is no Priest at the altar, to prepare the children of God for rapture. I saw it very clearly, when I entered a big cathedral and the altar was empty. I was asking, where are the men at the altar? .

7. The acceptance of God's judgment hour message will bring and produce conviction, conversion, consecration, and it. will reach. world-wide. The message will bring and produce harvest for the reapers.

After announcing the fall of *“Babylon the great whore”* who made all nations to drink of the wine of her fornication, another angel in the same scripture, verse 9 declares. that if anyone worships the beast, the spirit and the image of the anti-Christ, the person will receive his mark on his forehead or on his hand, the person shall also drink of the wine of the wrath of God, which will be poured out full strength into the. cup of his indignation, tormented with fire and brimstone, in the presence of the holy angels who announced the message. But people are not, following this, even in the presence of Jesus the lamb, who presents the truth through his gospel.

Now there are two wraths and wine:

(1) The wine of the wrath of God (Revelation. 14: 10).

(2) The wine of wrath of Babylon fornication (Revelation. 14:8)

WHY IS THIS WRATH AND WINE?

You can see Babylon have her wrath and her wine of fornication, that is seduction and deception, which was clear in Revelation. 2:20, where she calls herself a prophetess to teach and seduce the servant of God with the spirit of divination, and serpent spirit, that is, her cunny way of presenting herself as original, while she is counterfeit.

WHAT IS THE MEANING OF SPIRITUAL SEDUCTION? .

This means, the ability of a false prophetess, who is called Jezebel, which is also spirit of Babylon, to lure men to worship false gods, instead of serving or worshiping the only wise and Holy God. This seduction also comes where people compromise in a church where the truth in the word of God is no longer taught in its fullness. Here the truth is said in part, while the other part is mixed with half-truth or total lies. Men of God who are held in bondage by this woman, no longer go into the word of God "*The Bible*" to search and obtain the truth before preaching, rather they go to the internet and copy the message of others. They also preach the message of "it is well" while it is not well. Heaven is crying for a way out of this mess, instead they preach "it is well" and also preach prosperity without teaching the biblical truth of how to get Godly wealth through tithing, offering and other ways approved by God. Here they are mindful of the congregation, "come as you like, it does not matter". Who said that it does not matter? It matters a lot. Here you see Pastors and members dancing seductive dance and practicing immorality at the altar, giving reserved seats to the well known ones, and rich ones, and giving them titles, because they are targeting their wealth.

Sorry for men of God who have lost their integrity to their members by begging them arms, and by manipulating their members into giving, by telling them that "God says give" while God did not say anything. I met one of those Pastors who has manipulated his members so much that he got a house and cars through this means. When he hears about this judgment message, of exposing your hidden sin and motives, he declares that all he got was through this manipulation, how can he now tell his members that all he told them before that "God says" were lies? The message was top hot for him, he said I can't make it, and he went away agreeing to perish instead of being saved.

Please, God is not happy for the man laundering at the altar, his wine and his wrath of indignation is fully ripe. Run and escape it, God is calling us to his presence which is the only place the issue will be settled, that is through the Holy Ghost School. Run unto him and fall at the lord's feet and open up yourself by exposing all your evil, wicked and deceptive ways you have been laundering services in hypocrisy and lie. He is there waiting for you, he is ever merciful to accept you as he did to the prodigal son; we are still in the hour of mercy. Some ministers of God message is only centered on money, no matter how compromised members are to get it; whether through murder, ritual, 419, fraud, stealing, robbery, drug, bribe, adultery and fornication and other means, it does not matter, as long as it comes to the house of God. This spirit, when in the church, makes me first lust after money rather than seeking God in truth and in righteousness, also in holiness. Some men of God when they are invited to preach in another church, they would first ask you the size of your congregation, they would also access

the way you look; your shoes, tie and cloths, even the perfumes you use. They would want to know whether your ministry has class.

They will tell you the amount you will give them after preaching. Some of them when raising funds in the church, they would ask the Pastor who was invited them his target and he will tell the Pastor the amount he will receive as' his own share at the end. And that is why you see them jumping at the pulpit, with great lies, deceiving people and also sapping people's pockets, calling people who will give the church thousands and millions. Many of these deceivers are involved in fetish things. Some are also involved in cults just for power. This Jezebel spirit makes sure that in a church where she reigns, truths are turned into lies. And women and men of God reduced into pieces of bread, because they are blinded by money. Here you see men of God highlight things that are supposed to be condemned.

One man of God came from another country, for a programme in a church. After his ministration in the church, another minister invited him to come to his church too. After the service, he was blessed with some tangible money, could you believe that this man of God was not. happy or appreciative of the amount of money he was given, because he was expecting something bigger. When I saw this man he was not happy, I was wondering who provoked him. It was later I got to know why. You see now that the spirit of merchandise and selling souls of men and their bodies, which Babylon has deposited in men in these last days; if I give you, you give me back in return. See Revelation 18: 12-13: ***"Merchandise of gold and silver precious stones and pearls, fine linen and purple, silk and scarlet, every kind of citron wood, every kind of object of ivory, every kind of object of more precious: wood, bronze,. iron, and marble; and cinnamon and incense, fragrant oil and frankincense, wine and oil, fine flour and wheat, cattle and sheep, horses and chariots, and bodies and souls of men"***

I went for a programme in an African country. I met one woman of God in an hotel. We greeted and introduced each other. She said she wanted to travel to America, and she was still looking for visa, but she had told her church members that she was already in America. I began to counsel her, telling her not to involve herself in lying to this extend, I asked her, what if they don't give you the visa, what will you tell your members? As I thought, she didn't get the visa, which made her to be stranded and confused on how to return to Nigeria.

Honestly something is wrong with the church of God. You see everybody wants to travel abroad and have their branches all over the world, simply because of their wrong motive of making fame and money. Look at 1 Timothy. 6:9-10, it says: ***"But they that will be rich fall into temptation, and a snare, and into many foolish and hurtful lusts, which drown men in destruction and perdition. For the Love of money is the root of all evil which; while some coveted after they have erred from the faith, and pierced themselves through with many sorrows"***

They are not really serious about spreading the gospel and the second coming of Jesus. Sorry for you, whoever God does not exalt, if you exalt yourself, mark it now, so shall you fall. Many ministers in this country have left their calling here, only to run abroad. God told me, Uju, I will advertise you when I am through with you, and this now helped me not to jump out as other use to jump before their time. God is God of orderliness, "before advertising you he must break you into pieces and remold you, and test you again if you will disgrace him, before any further movement.

Many ministers have met me and told me that there is something great in me and that I should start this or that, but for me, actually, I did not see anything. I believe God is still working in my life, and when he is through, he himself will reveal what he has deposited in me.

Holy Ghost school is a school indeed. God will send different kinds of groups to test you. In my own case, even those who came to be disciples, as members of the ministry, I started by giving them the truth the lord gave me, but at a stage what was in them began to speak, many ideas came from them. They wanted me to choose two days in a week and start counseling, do night vigils, and special deliverance prayers that many will be invited, before you know it, they said, people will fill the ministry. They told me, that was how other churches came to be.

They pressed me so much that if not for the Grace of God and a revelation I had, where one man like a mad man, gathered all my children, from my first daughter to the last one, and all of them were not up to 13 years old, in that revelation, so this mad man was having sex with them. He had sex with them till he broke each and every one of the spinal cord, while some broke their legs that they couldn't stand up again. The worst thing is that, all this was going on near my bedroom, in the next compound, but I could not stop the tragedy, instead I was crying deeply, seeing this man breaking these innocent children's virginity, but no one could help and stop the abomination. I was afraid because the man was a mad man, and these children were crying for help, but I couldn't help them until the mad man finished his assignment and jumped through my window into my room. I ran away instead of holding him or fighting him, so he escaped. The children and I were shouting and crying heavily, so I took them to the hospital, on my way I woke-up.

I was very down and I could not even stand-up. Imagine this type of disgrace and mess. I started praying and I went through brokenness, then I understood the revelation, that I can't even help my father in heaven to rescue his children held in bondage by this mad spirit of seduction that lures men to do things that are not pleasant unto God that is men disobeying God's call and diverting to man's way. God began to open my eyes to show me what this spirit is doing in these last days. He told me that many have deviated from the original call he gave them because of pleasures of this world. He told me that some have run faster than him. Honestly,

many have gone off to Tarshishi, like Jonah, according to their self-will. Where are they running to? Running faster than one's shadow will result into a lot of damages and disgrace.

After God's interpretation of this revelation, I understood that if care is not taken, and if I allow these men to push me into the world system of worship, I will be like those children that were broken into pieces through seduction and sex. By the grace of God, I stood firm, telling them that when God finishes with me he will send me out for his work, that I am not in a haste. To my surprise, this group of advisers left the discipleship training of the ministry. I thank God for his mercies. God took me to 2 Peter 3: 1-17; Be careful of scoffers, the Bible says. They will come in the last days, walking according to their own lust. .

This mad spirit work is to seduce children of God and make sure none of us is walking with God. Breaking the virginity means to break our covenant with God, Revelation 14:1-5 ***"Then I looked, and behold a "lamb" standing on mount Zion, and with him one hundred and forty four thousand, having his father's name written on their foreheads. And I heard a voice from heaven, like the voice of many waters, and like the voice of loud thunder And I heard the sound of harpists playing their harps. They sang as it were a new song before the throne, before the four living creatures, .and the elders and no one could learn that song except the hundred and forty-four thousand who were redeemed from the earth "***

These are the ones that were not defiled by women, for they are virgins. These are the ones who followed the Lamb wherever he goes. These were redeemed from among men, being first fruits to God and to the lamb. And in their mouth, was found no deceit, for they are without fault before the throne of God.

If we go by this Bible account, we would realize that these children have been defiled by the madman for breaking their virginity, and once the virginity is broken, the spirit of God departs from the person. He or She is no more in pact with God. He is out of the perfect will of God. At this level, the spirit of God is no more controlling the person, simply because defilement and deceit have entered that person's life, and the Bible has said the eye of the Lord cannot behold iniquity.

Even when you are a preacher preaching the word of God, you are just empty, because the spirit is no more there. You can perform miracles from one country to another, you are just on your own. You will still be put among workers of iniquity. God forbid that I will serve God in vain. The Bible says that in their mouth was found no deceit and they were without fault,

before God's throne. Hey Hey, the church of God, what is in our mouth, deceit or fault? Heaven has set up a standard that can never change. The deceit and fault must go.

Brethren, are we following the lamb wherever he goes or are we following ourselves or man? My beloved, cry out against that mad spirit who is moving all over the world in these last days, especially in these days of battle, seducing people out of the way of God.

After going through all these verses, my eyes were opened further, then I started praying for God's help. We need God because the way they will present this seduction message, it will appear as a good message from God. After all, the work is for God. It is a capital NO, all work is not for God. This group, whenever we talk on phone, their language has changed: All those truths they received earlier have gone. They have joined the worldly system, although I am still praying for them, because I know it is the mad man who defiled them.

How many of you can stand the fire and follow God step by step, until he finishes with you. Your inability to exercise that patience causes spiritual immaturity, which can lead to spiritual accident and on to spiritual death. No wonder God told me that this present church is dead, that he is raising a new church that can stand and fight the battle of the last days, between truth and error, and between darkness and light. The battle is on now, join the army of the Lord for fortification and preparation. Heaven cannot hold its peace unless this battle is fought and won for Jesus, and for him to take over his new church and reign. Brethren do not allow this battle to come on you suddenly as in Matthew. 24: 15-18.

Actually the abomination of the desolate has been fulfilled which Daniel, explained in Daniel 9:24-27. Daniel in his own time was studying prophecy and was also praying, and God gave him understanding of his time: he now knew that seventy weeks have been set aside for the people and for holy city to finish the transgression and make end of sins and make reconciliation for iniquity, to bring everlasting righteousness, and to seal up vision and prophecy, and also to anoint the most holy. Daniel for a long time studied the prophecy of prophets who came before him, and he stood in the gap, and began the atonement for his generation.

But where are the Daniels of my generation? Who will study the book of revelations and Daniel and prophecy of Jesus in Matthew 24 and other prophecies in the Bible, concerning this last hour of the earth? Who will understand it and intercede for our own time. Things have gone wrong, and there is great urgency in the calling. Everybody is looking for the benefits to his or her pocket and having fame. You who wants your name to ring all over the world, what have you done for God? What have you invested in God's Kingdom? Have you suffered and paid some cost for souls?

Apostle Paul said if you want to boast, boast in your afflictions and pains, but not so with many of today's churches where they conveniently introduce the kind of laissez faire attitude "come

as you are". They carry worldly system into the church, turning the words of the lord the other way round, saying that sacrifice is better than obedience, instead of obedience is better than sacrifice. They believe in appeasing God through sacrifice. They do not build people to reverence God, but only how. to rebel against God. They also introduce the spirit of witchcraft, bitterness, vengeance, competition and maliciousness towards one another and idol worship.

Witchcraft is an evil system in which someone manipulates another to do something against his will or contrary to the way that God has approved it, or when one makes someone who is superior to oneself accept one's command. Witchcraft can come with deception, a nice suggestion but with a negative motive. A witch can initiate another person in order to get control over him. This intimidation can come by manipulation, either by taking advantage of a particular weakness in a person's life, then threatening him on it. Some use demonic power to do it, others use psychological principles to do it. When you use your mind to control other minds is also witchcraft.

Whenever you feel evil thought in your heart being projected to others to do them harm, it is a spirit of witchcraft at work. Even myself, many years ago, I used to project evil thoughts to someone that offended me, until God delivered me from it. Any impure thoughts towards others are products and, confirmation of the presence of the spirit of Jezebel because Jezebel projects evil thoughts and manipulate the mind, which is called mind control, which was what she used to control Ahab and lure him into building an altar for Baal, and also into accepting the evil way of possessing Naboth, vineyard, then killing him finally and possessing his possession. May God deliver us in Jesus name! Amen.

Separate yourself from this wicked spirit before it destroys you. This message of exposing Babylon will bring and produce conviction, conversion, consecration and will reach worldwide, and it will bring and produce harvest, because it is a message that will prepare the church for the rapture.

(8) Error and truth must be exposed by their fruits (Matthew 7:16-20), for they will no longer grow together again, for time of separation has come which Jesus mentioned, that in parable in Matthew. 13:30, that in the time of harvest, that all the tares must bind and burn to ashes, but gather the wheat to the barn. No, the mixture can never be together again. There is a call of separation going on now. Separate yourself from the group and those Babylonian characters.

Thank God for the spirit of God in these last days, who exposed the spirit of the Babylonian woman who calls herself the mother of harlots and abomination of the earth. She is the habitation of devil the dragon. All wickedness and wicked people are under her dominance, for

example armed robbers, harlots, spirit of compromise, are all forms of spiritual and physical unfaithfulness, slander, gossip, lust and so on. She is in charge of all foul spirit.

All forms of weakness, both in the secular world and in political settings of any nation are products of her. That is why Revelation. 17 says that the kings of the earth have been made drunk with the wine of her fornication. She is an over ambitious woman who sits as a queen, awaiting attention and dominance over all human affairs wherever she dwells, either in a home or office. She also rules in the churches, she influences the men of God to dance to her ideas. In government she controls the President and his associates, no wonder we are suffering in our country today. She even manipulates children of God, as she jumps at any spiritual opening where she can launch her attack.

Now we have seen the wrath of wine of Babylon. Revelation 18:4 declares strongly: "Come out of her, my people; lest you share in her sins, and lest you receive her plagues, for her sins have reached heaven and that is why she always appear as a mother, as the Bible calls her the mother of abomination of the earth. She is a mother to a lot of people, it is this same woman that the Catholic call their mother. That mother has been given different names, and calling her the mother of Jesus? capital NO. She cannot be the mother of Jesus. She is a wicked spirit that hates our Jesus by giving him close marking, just to terminate the existence of Jesus, to put the death and resurrection of Jesus to nothing. But it can't be, as Jesus had overcome her 2,000 years ago. He is coming again to rule and reign as king of Glory. I will talk more on this spirit of woman of Babylon in my next book, by God's grace. When God was exposing this spirit to me, she always appear with my mother's face. Holy Ghost school is a spiritual school indeed, because at a stage I began to understand the difference between my biological mother and her, because it was not every time I saw my mother that it would appear to be her, until God opened my eyes, I now understood the difference between my biological mother and this useless woman, through their characters.

If I see my biological mother in revelation, she has never lured me into bad things and she always appeared in her physical .age and I don't struggle with her. I must be in a positive mood. But this spirit never appears in one particular form, she always appears younger or older, pushing me into evil things. For example, how can my mother come close to me and begin to touch my private part, in form of masturbation, which always leads me to physical urge for sex from the spirit. When I am sleeping, I would be having urge that comes out physically, I would see myself masturbating. It is so horrible.

Again my mother was a Caterer when I was young, and I used to help her cook. This wicked woman will now, after 20years, I would still see her with myself cooking food again in the same place I used to help my mother then. This continued until God opened my eyes, after some battle, and He explained to me that seeing myself with this wicked woman is going back to my

old Jezebel life, which I have dropped. Honestly I began to think back and noticed that whenever I saw this woman with me cookings before you know it I will have a terrible encounter that I would fall for woefully. I began to learn what Jesus said in Matthew 11:28-30, that we should come unto him, we that are heavy laden, and he will give us rest.

Secondly he said: "Take my yoke upon you and learn from me, for I am gentle and holy in heart, and you will find rest for your souls ". Thirdly 'for my yoke is easy and my burden is light ". Actually, our problem is that we refuse to learn from Jesus, from early Apostles, even from our former mistakes and failure& in life. That was why we are stagnant, moving not forward. We must be spiritual and watchful physically too, in learning. That was why God brought Holy Ghost Schooling to our generation to come close to him, and follow him step by step, and learn from our master Jesus, as the early people did, and it worked out for them well. We desperately need to learn. Finally, whenever you see your mother or your aunty or your senior sister in a revelation watch her character, if it looks good, that is her, but if it was bad, then it is the Babylon woman, and it is this spirit that has held the world captive but God has remembered her iniquities, which she has committed through me and you.

There is a call to separate from all manners of evil and wickedness. This woman has been using you to carry out all the practice of falsehood, error and hypocrisy. We can see them now in the world today, especially in the church, you can see that truth is lacking and it hinders God's movement in the body because, God cannot use people who continue to practice falsehood or hypocrisy. Such behaviours must be abandoned completely and radically, and we must embrace truth with our total man spirit, soul and body O Lord use this message to bring your people, allover the world to walk in truth and also use the message in the power of your spirit to judge falsehood and errors in the church; judge every falsehood in the heart of men and people of God, and use this to raise a generation of men who will walk in truth, as a challenge to all principalities and powers, in Jesus name. Amen.

The wine of the wrath of God in Revelation 14:9-10, if anyone worships the beast and his image, and receive his mark on his fore- head or on his hand, he shall drink the wine of the wrath of God which is poured out full strength, into the cup of his indignation, and will be tormented by fire and brimstone (Revelation 20:9-10). ***"And they went up on the bread of the earth, and compassed the camp of the saints about, and the beloved city: and fire came down from God out of heaven, and devoured them. ... And the devil that deceived them was cast into the lake of fire and brimstone, where the beast and the false prophets are, and shall be tormented day and night forever and ever.***

The devil, the dragon that deceived the earth was cast into the lake of fire and brimstone. The entire beast, that is, the anti-christ and the entire false prophets are tormented day and night (Revelation 16: 19). This is the fall of Babylon and the fall of all nations in support of the great city Babylon. . So the wine of the wrath of God is the final judgment God will bring on those who decide, after hearing this message of separation, continue to worship the beast and his image, that is continuing in abomination of Babylon and living Jezebel kind of life.

I want to declare that the true worship of God has come back on earth; we are in the hour of following God or following the beast. In my next book I will explain fully who is this beast and who is his image, this is only a highlight to quickly get the message and a call of separation from Babylon.

This revelation is talking about the destiny of God's people and this is God's great picture of assurance for those who bear the mark of God. "Having his father's name written on their forehead".

Who are those people?

(1) Revelation 14:3-5, gives us a picture of the type of people he is talking about. These are the people that have the character of God, who allowed the mind of Christ to be in them, Philippians 2:5: "Let this mind be in you, which was also in Christ Jesus: "

They are the people that follow the footsteps of Christ. (1 Peter 2:22) God's plan of redemption will never fail, even though Satan has been allowed to do his course for 6,000 years, which has proven the nature of sin, and for that man of sin to be revealed and the son of perdition in 2 Thessalonians. 2:3. ***"Let no man deceive you by any means: for that day shall not come except there come a falling away first, and that man of sin be revealed, the son of perdition "***

CHAPTER 8

THE DAY OF THE LORD

Is the great day of the Lord near?

Is it near and hastens quickly really?

Is that day a day of wrath?

Is that day a day of devastation and desolation?

Is that day a day of darkness and gloominess?

Is that day a day of clouds and thick darkness?

Is that day a day of trumpet and alarm?

Is the noise of that day really bitter?

All these questions are very vital for us to answer them individually and collectively, from personal knowledge or experience, of encounters we have witnessed in the world. Everyone must answer one or two, even all these questions, because of what is going on now in the entire world system, even in the church of living God, proving that we are in the Zero hour of this planet.

When God open my eyes after reading this passage in Zephaniah, I shouted with great pains and asked why Satan has been too wicked and very deceptive in stealing man's conscience and man's heart from truth. Zephaniah is the prophet of Old whom God revealed to the tragedy and horrible things that will take place in these last days. And we are now living in this last days which all these minor and major prophets were referring to, but it is unfortunate that my generation is not studying prophecies, that is why they will come on us suddenly, but God forbid. All the generations who had passed before us, none of them could stand their own day of the Lord, because it is always with devastation, desolation, darkness and gloominess. I mean it is not what someone can stand.

Our God is the most patient, most enduring, most loving, most tolerant, most tender hearted, most merciful... but any day he remembers your iniquity, his anger is uncontrollable. Let us see what happened in Genesis 6: 5 -7: ***"And God saw that the wickedness of man was great on the earth, and that every imagination of the thoughts of his heart was only evil continually. And the Lord regretted that he made man on the earth, and it grieved him at his heart. And the Lord said, I will destroy man whom I have created from the face of the earth: both man, and beast, and the creeping things, and the fowls of the air for it repenteth me that I have made them."***

The Bible says God saw that the wickedness of man was great on the earth and that every thought of his heart was only evil continually. When I read verse 5, I picked the word "continually" I stopped, I now understood that not even the 'evil we did is the problem, the main problem is that we do the evil and continue doing it, as if nothing will happen. I am in a free world, anyhow I want, I will live my life. It does not concern anybody, even God. People have no fear anymore. They do not think that all these evil they practice and all evil thoughts 0, theirs, that someone is watching them on a daily basis, keeping records of movement, character motives and so on. Everything is recorded. And God has been enduring and keeping us. That is why sometimes it seems only the bad and evil ones that excel in life, but that is a capital NO. Bible ***says "say unto the righteous man it is well with you"***. Also the Bible says,

"mark the end of the righteous man is peace but the end of an evil man is destruction". As God Continues to watch us, one day he will lose his anger, which no one can control. What made God to destroy the world then, was not their sins, but that they continued practicing it without change. And God regretted for making man.

Honestly, God is not happy the way we are treating him. Nobody says, my father I know you are not happy the way I am living life, but I promise you I will never continue that way again. Then take up the challenge and determine to pay the cost and stop it. Why I call it a cost is because immediately you make up your mind to stop anything, the devil will tempt you, or fight you in some cases. Yes, everything we do is recorded waiting for the day of opening, because any film that was recorded one day, they will give it out for people to watch. That day of opening is called the day of exposure Hey! Hey!! Hey!!!

It is better for us now to run to the Lord's feet and plead for cleansing' and wiping away of our old record before alarm will blow. Why not say if I am the only one pleasing this God, I am ok. All the pains we are passing through, God sees them and he knows us, but it is not easy for God to watch us in pains. He was in heaven watching Jesus passing through his own pains. And when Jesus overcame his death, God crowned him a crown of glory. So the same crown of glory is waiting for those who overcome their trials and pains.

The day of the Lord is not what one can carelessly ignore. Preparing for the day of the Lord should not be radically prepared, but should be well planned and one must be equipped very well to face it. No wonder I had a revelation where we were in a school, as students preparing for an athletic competition, which was 100 metres race, and I was one of the best runners in the school. 100 metres race is what you would do with the last energy and strength in you. I did sports very well. I represented my school even to the level of my local government then. So I know much about race, both relay race and 100 metres that is the field I was trained for.. So in that revelation I was picked as the school representative. Now the competition came. They called us out by name and school we came from. We all came out."We were told the rules that will guide us. I saw the referee with the gun in his hand ready to fire. I noticed that each school came with their coach. I saw my coach by my side highly tensed up. I began to think of how I will beat other schools because he had given me so much training before the competition. The whole place was filled with spectators including senior students with uniform.

The special guest of honour was the governor of Lagos state who suddenly appeared with his entourage. Everybody stood up and the national anthem was sung. Immediately he sat down the event started. The referee blew the whistle for the race to start and my heart beat went up, before he could say get ready. I almost fainted by the time he fired the gun. We were so fast and as we were getting to the middle of the race, I fell to the ground. The referee blew the whistle and cancelled the race. Again we began; At a point I fell on top of someone and others

too fell on top of one another. The congregation was laughing and making jest of us, saying all kinds of things. I quickly look at the governor's face. He was not happy. When I also saw my coach, he was almost crying for me. The referee decided to give us the last chance. By then everybody was afraid as I looked at the face of my competitors. Everyone of us was crying with a burden concerning this last chance. I did not make it again because I fell at that point I fell earlier, then in anger the referee disqualified us and cancelled the event, and I almost died because I did not know how to behold my coach and my school mates, because of the confidence they had in me. As we were coming out of the field, I woke up.

I sat down for some minutes shaking my head calling myself Uju! Uju!! Uju!!! What is that in your life that when you get to almost the finishing line of a race you fall? Look at how I was disqualified and how I became a disgrace to my school!. I knew this was reference to the church of God and the disgrace I gave to my coach was to the Holy Spirit and the disappointment the governor felt was the Lord himself. I cried so bitterly that day and I refused to eat. My eyes swelled up so much that when I came out, my people were asking me what happened to me, even to the point that I lost my voice because I really shouted unto the Lord for help and to give me another opportunity. I said continually, Lord help me, please try me again, give me another chance.

I was completely broken in spirit. God now began to speak to me, he said: Uju listen, I want to use you' as a model in your generation. Even though you are difficult, I am still interested in you, I love you. Allow me to use you the way I want. Give me your days. Your moment, minutes and hours. I am in need of it. I will use you to set up a standard in your generation and use you to train armies of this end time! You have seen your failure. Allow me to knock out that which always pull you down at a particular point in this race. I will operate you and deliver you. I will be with you to the end.

God assured me that, that point I always fall is also where other ministers also fall. He called it high level of deception where the serpent of old always tempt us, against the will of God concerning our ministry. Where the serpent makes us deviate from the level we suppose to follow the lamp, to wherever he goes. (Revelation. 14:4)This is a very serious matter. He said I may start well and end up badly and I may begin and may not reach. But he wants the best for me, at the end of this race on earth.

He said he wants to carry me to the level of Galatians 2:20. "I have been crucified with Christ; it is no longer I who live, but Christ lives in me; and the life which I now live in the flesh, I live by faith in the Son of God, who loved me and gave Himself for me ". After God finished speaking to me, I knew from then on that I have a special task on earth to fulfill and I made up my mind to face the challenges. If I have to explain the revelation a little further, it shows that I was chosen as the best runner in my school to represent them, but I turned out to be a big disappointment

to them, and to others, because I could not live up to expectation. Dh! Dh! What a shame. They believed in me but I could not deliver! You may see someone doing great but the end may be Zero. How can God behold me and you after all the calling, the ministry, the anointing, the power, the grace, the authority, the truth even the wealth he deposited in us, and at the end we cannot defend him and represent him. God forbid.

Thank God for his revelation. When we see our weakness or fault like this, it is for us to jump up and fight it. By his grace and mercy, I will please God and I pray the same for you in Jesus name, say a big Amen. .I know am not yet perfect, but I am sure God is taking me somewhere unto perfection. Remember we are discussing about the dreadful day of the Lord. Another vital issue I must not forget is the belief of some pagans and the Catholic Church, even some Pentecostal churches who belief in communion with the dead ones. Under the name of spiritualism, some communicate with familiar spirits and which they claim to be the spirit of the departed, who were all laid in the grave. Some even claim that spirit beings sometimes appear to persons, in the form of their close friends and relations.

These beings they claim even perform acts which they did while they were alive. Excited by this, some would quickly refer to their dead ones as angels or saints, still guiding and watching over them. The truth is, there is only one name for this kind of practice: It is pure idolatry. Listen, Satan is ready to supply the heart with its desire and plant in his deception in the place of truth, if you allow him, but the word of God is there for those that seek after the truth. Apostle Paul spoke of a class of people who "received not the love of the truth, that they might be saved" "For this cause, God shall send them strong delusion, that they should believe a lie: that they all might be damned who believed not the truth, but had pleasure in unrighteousness.

(2Thessalonians. 2: 10 -12)

Among the most successful agents of Satan, in these last days are the delusive teachings and lying wonders of false prophets, disguised as angels of light, who spread their network all over the world. If men would but study the word of God, that is the bible, with earnest prayers that they might understand, they would not be left in darkness to receive false doctrines. But as they reject the truth, they easily fall prey to high level of deception. Satan has long been preparing for his final effort to deceive the world. The foundation of his work was laid by the assurance he gave Eve in I the Garden of Eden ***"Then the serpent said to the woman, you will not surely die. For God knows that in the day you eat of it your eyes will be opened, and you will be like God, knowing good and evil."*** Genesis. 3: 4-5.

Little by little he has prepared the way for his deception. He has not yet reached the full accomplishment of his works. But it will reach m the time of the remnants who will be obedient to God and disobedient and stubborn to Satan, according to the Prophet John in Revelation 16 :13- 14: ***"I saw three unclean spirit like frogs coming out of the mouth of the dragon, out of***

the mouth of the beast, and out of the mouth of the false prophet. For they are spirits of demons, performing signs, which go out to the kings of the earth and of the whole world, to gather them to the battle of that great day of God Almighty. "

Except those who are kept by the power of God through Faith in the word will stand this battle of the great day of God almighty (Joel 2:1- 3, Joel 2:7, Isaiah. 22:5, Isaiah. 27:13). If God revealed this to all the prophets of old, about this day in these last days, why don't you make U turn back to God now, to reconcile with him. The day of the Lord is not a smiling day, it is a horrible day. Our God is calling us now to his presence: Father, Mother, Children, House help, old and young ones, Widows, Husband, Wife, Boys, Girls, Pastors, Prophets, Bishops, Teachers, Evangelists, Arch Bishop, Cardinal, Pope, Elders, Presidents, Governors, Senate President, House of Representatives, Senators, Councilors, Chairmen, Federal and state officials, Villagers, Students, Doctors, Lecturers, Proprietors, Principals, Headmistresses, Teachers, Bankers, Policemen, Army, Air force, Navy, Businessmen, Civil. servants, Applicants, Lawyers, Kings, Subjects, Drivers, Sailors, Fishermen, Nurses, Engineers, Prisoners, Christians, Muslims, Pagans, Witches, Occultists, Murderers, Native Doctors, Buddhists, Hindus, Spiritualists, Palmists, Astrologers, Wise men, Scientists, World leaders, all the whole continents and States of the world. There is the need to answer this urgent call and reconcile back to our maker, because He is no more happy the way we are treating Him. What happened in the days of Noah, also in Sodom and Gomorrah, and what would have happened in the days of Nineveh, before they pledged loyalty to God, in repentance, may come upon us like a wild fire. The doomsday is already here, watch! watch!! watch!!!.

I had a revelation in which I was in a very big city, watching very beautiful mansions; suddenly the whole place was flooded even when there was no rain. Then things began to be swallowed by the water: cars, the beautiful mansions, nobody cared about what he had anymore. Crisis!. People began running and screaming and lamenting, but there was no place to hide, because the whole thing happened so suddenly. I was also struggling with the flood. I almost got drowned too. I jumped up from my bed, and I was sweating as I was full of heat. It was so real that I thought it was happening in real life. Hello world, please don't do like the people of old, when Peter was telling them about the day of the Lord in 2 Peter 3 : 3 -7.

Who said for since the fathers fell asleep all things continued as they were from the beginning of creation? Please my brethren all these revelations are true and real, for God said that he cannot do anything without revealing to his Prophets. Amos 3:7 and Deuteronomy. 20 - 29. "The secret things belong to the LORD our God, but those things which are revealed belong to us and to our children forever; that we may do all the words of this law"

God always love the welfare of his children, -every man was made by God, despite that this dragon, the serpent of old, has dragged many to different evil kingdoms and religious

denominations with corrupting spirit, deceiving them and also killing them and pushing them into hell fire. Jesus is calling you back no matter wherever you belong to, or how far you have gone astray. No matter what you have done, he is a tender hearted God, full of mercy and also full of wraths for those that refuse to repent. Certainly I am not the only one God has revealed this to- that the world is coming to an end. Face your circumstances, knowing you are a son of God, just as Jesus Christ in the form of human flesh was the express image of God. God has planned for you and me in the form of human flesh, to be the express image of Christ now on earth. Yes, we are sons and daughters of God.

God is the God of plan and purpose, of design and objective. Hello church of the living God, do not let us place all our confidence in our own ability, but in the ability of God to bring to pass, that which he has ordained. Move from a defensive to an offensive position, use your will as an offensive weapon against Satan. For whoever controls your will controls your action. If Satan controls your will, he will control your actions, and if you are in control of your will, you can control your actions. However, the best thing you can even do is to give your will to God to control, and He will surely control your actions for the best. Please, there is a prayer we would make here. Pray that God will open your eye to see the horrible eternal damnation that awaits liars, deceivers in the lake of fire, including the cowardly, unbelievers, murderers, sexually immoral, sorcerers, idolaters and the likes (Revelation. 21: 8)

1. Oh spirit of truth, convince me to the transparent life I seek, to live and wash me of all sins.
2. Oh spirit of truth, grant me light for true sight. Tear the veil covering my eyes, for indeed I am blind. Oh Jesus give me the baptism of clear sight in Jesus name. Amen.

It is a pity that people have indeed despised the truth, and with injustice they oppress the poor among them, they also manipulate the rich among them in order to make more money. They oppress people who are righteous, preventing them from living a faithful life. For those who are oppressing the widows and orphans and the poor, remember the case of Lazarus and the rich man, the condition of Lazarus at the end, and condition of the rich man at the end. (Luke. 16:19-31)

Life is becoming so wild, things are not going well, everything has turned upside down. The present church of God is completely dead. God has married a new church now through the Holy Ghost school. If you find yourself involved in this Holy Ghost School where Holy Spirit leads and teaches you about the Kingdom of God, where you are no more led by one pastor or any spiritual leader, or led by yourself, but now completely led by the Holy Spirit in all things, you are indeed lucky, for you are in God's new church. This new church is only for those who are living the life explained in Galatians. 2:20: ***"I am crucified with Christ, 'nevertheless I live,' yet***

not but Christ liveth in me: and the life which I must live in flesh I live by the faith of the sons of God, who loved me, and gave himself for me"

Also those who have rejected Babylon spirit and joined hands in pulling Babylon down, by exposing their hidden sins which they covered, are wonderful children of God indeed. For those that cover theirs, because no one could ever see it or hear it, but God knows it and is only giving you a little time to expose it to your fellow men, before He exposes you. So give it up now.

The last message of the earth will no longer be mere salvation message, but the message of judgment and restoration by mercy. (Revelation 14 :6.13). If you are being guided by revelation, you are a member of this new church, because what the former church lost is the love of Christ, and revelation which is our guide in Christian race.

Revelation is a map the Lord drew for us, which when we have it and study it, with spiritual eye and understanding, it will now help us, to either go or to stop all our movement. God is doing wonders in these last days through revelation. If you are not having revelations, please cry out for it. It is very vital.

I had a great encounter that almost killed me and the ministry. It happened when we wanted to register the ministry and six names were required to be put forward for the Corporate Affairs Commission's approval. I put my name and my son's name before putting other four names. One member was not happy because his name was not included. He felt I. used my son's name, to replace his. I was not bothered about this annoyance, since my mind had told me that I should put my son's name, so that nobody will take away this great ministry God gave me after my services. So after I finished practicing this abomination in the eye of God-as it would turn out, since the Spirit of God had told me that I should remember that the Church was not a company or a private business where my son will be one of the directors.

It is a great kingdom business which after me, God will raise the successor by himself if Jesus tarries. It was the worldly sense of business that had taken hold of me, that I could not listen to that little voice of Holy Spirit who was always there to guide. But I ignored the direction of the Holy Spirit and went on with my irresponsible motive to acquire God's wealth for my family. The registration was concluded successfully, all papers came out because God allowed me to finish spending all the money, before He now appeared to me in a revelation. By then I had even forgotten what I did.

It was the worldly sense of business that had taken hold of me, that I could not listen to that little voice of Holy Spirit who was always there to guide. But I ignored the direction of the Holy Spirit and went on with my irresponsible motive to acquire God's wealth for my family. The registration was concluded successfully all papers came out because God allowed me to

finish spending all the money, before He now appeared to me in a revelation. By then I had even forgotten what I did.

I saw in the revelation a very big mansion, up to 40 storey building, well built and furnished. The compound was fantastic. It was indeed a glorious land with colourful flowers adorning the lawns. Taps in every part of the building was running. Each flat was different from the others. But to my shock, while I was in the second floor, In a twinkle of an eye, I saw the wall cracking and shaking, and this mansion just collapsed in one heap before my eyes. It was unbelievable. I was wondering what made this big mansion collapse the way it did.

As I started complaining to one man I saw there, I woke up. I knew that something was wrong, that I was the mansion that collapsed, because God said we are His building which he has prepared. I became restless and troubled. A distress spirit entered me immediately. As I got to the ministry, when we were sharing revelations, one of the members said she had a revelation concerning a big mansion, like a tower, but for her to enter the house she saw that the foundation was shaking, and she saw many snakes under the foundation. She was shouting, calling for cutlass, but nobody could help to kill those snakes. I knew that the revelation was pointing to me. I knew that something was wrong with me, so I began to search my life. Of course I did not lust, neither did I lie or cheat anybody or jealous of anybody. I mean I could not find any area of my life that I knew that was offending God. My worry grew. A distress spirit is a terrible thing a minister of God can experience. No wonder when distress spirit entered Saul the king of Israel, he began to behave abnormally. Really I was not myself. The glory of God left me, everywhere became dark. I couldn't flow in anything I was doing again. It was so much that God began to tell us about suspension. At that point I knew that God will suspend me and close the ministry till further notice, as He used to deal with us before, because anytime I did abomination in his eye, He will close the ministry until I sort it out again with him. Sometimes, we can get five months or three months suspension. At this point I knew this would happen again, but my problem now was that I could not remember what I did. It was like God allowed me to forget everything, just to punish me and to pay for my sin because he had warned that no sin shall go unpunished.

While I was still wondering about this, similar revelations were still coming, until one faithful morning, I had a revelation where I was naked. I was tying wrapper on my chest in a very big market, and I was not wearing any footwear. As I was going, people that knew me were calling me, but I was ashamed to answer because of my dressing. I continued going, later I saw myself at a fowl house feeding fowls. Fowl is a symbol of foul spirit. As I was feeding those fowls, I saw a big upstairs in my front, at the pent house, that is the last floor. I saw my husband with one old man discussing, saying that some people have turned God's church into their personal

company or family business. As he was saying this he was not happy, because it was like somebody lamenting, while I was still playing with the fowl.

When I woke up I now understood this revelation very well; my husband was Jesus complaining to his father Jehovah, about what we were doing in his church in these last days. How we the pastors, prophets, pope, bishops, Reverend, I mean men at the altar, have taken the kingdom business as our personal company, where you see Reverend father and pastors paying bribe just for them to be posted to where money flows. You see some bishops recruiting some new workers under them and posting them to another branch, just to replace them with his own loyal boys, who are of birds of a feather, to continue immorality and eating God's money.

Never you mind, enjoy yourself, but remember that the day of accountability is at your door. Why not drop such life now. One would see some men of high standing, whom God has given the truth to feed the sheep, but because of their portion, you see them compromising. But watch out, very soon God will ask you about the truth he bestowed on you, where you see Evangelist knowing full well that he was called to preaching the gospel and conducting crusade, but because money is not coming the way he wants it, he then jumps to opening ministry, from there he turns it into church, saying that God told him to do so, when God never said so. No wonder we hardly see crusade nowadays, the pastors have killed the spirit of evangelism, just because of their selfish desire and wrong motives. They simply want people to fill the church, which he has registered as a family business, and being the sole signatory to the account. Sorry if you are among those still practicing this falsehood, watch out, how God will pull that church or ministry down, because it is not God's business you are doing there, you are just doing your own thing and the Bible says that any tree that was not planted by the Lord Jesus, must be uprooted.

Yes, it must collapse unless you repent now and lay a proper foundation for it. Oh, the church has lost the spirit of evangelism, as the Apostles did in their own time, simply because of money and position. God is not happy. If we continue like this, which church will Jesus come to rapture? Oh! My God it was a shocking news to me that even all the fight I used to fight to make sure I ran away from this spirit of merchandise from Babylon, who took church of God away by luring them into worldly pursuit, I never knew I was also a partaker of this evil design, if not for the grace of God, I almost dropped the Bible and killed myself in frustration, because this is what I preach and teach people, so how could I now partake in it!. I saw myself as one of the people fighting God. I remembered the judgment that will fall on those who refuse to separate from Babylon as contained in Revelation. 18:4-20

So I finally understood that it was the registration of the ministry, that I added my son's name that caused this damage. Can you imagine what it took God to build that mansion that I cause to collapse? Immediately I understood this, God told me to go to the ministry to share this

openly and plead to members to forgive me of this evil I did before them, because this error of judgment really destroyed many things in our midst. That day as I got to the ministry, I lay down on the floor begging my fellow brethren. Everyone was on the floor with me crying and pleading to God for forgiveness. After some hours, I thought God would have heard our cries and forgiven me. Instead I heard a very loud voice "Uju close this ministry till further notice". Immediately, I delivered this message to my brethren. When they heard it they fell again on the floor, rolling and crying and begging God to forgive. But. God refused. Another voice I heard again was, "Lock this ministry now.

I got up in fear. As I got up I told them what God said, and we all went away. I locked the ministry and we all departed to our individual homes. While I was in my house I thought I was finished, that this was indeed my end. But God being so lovely and merciful, after four months he began to give me signal for me to gather the people back. After some repair and rebuilding in my life, at the fifth month, many of my brethren started coming back on their own, to confirm to me that what he showed me was right. As we sat together again, we shared experience of the separation of the past months. Some fell, while some stood the fire, because it was real fire and a painful period.

In the end God told me to cancel the registration and begin afresh. He gave me the name I will use, which I did. This experience I share now was more serious than the way I put it in writing, it was a horrible experience. Hello church of God. Hello men at the altar. Hello the world. What are those' things we do which the spirit of God is bearing you witness that you should cancel or stop, but you still hang onto it, just because of your greed of calculating what you will lose, but bear in mind that the judgment is coming any moment from now, watch out! As a matter of fact many wealthy men have lost their wealth because of disobedience and many ministers of God have lost their glory because of wrong motive and desire.

You wealthy man, God has blessed you just because of the widows and orphans around you, and you are seeing and hearing. Take care of her situation, but you refused to pay the widow's house rent or her children's school fees, even establish small business for her, simply because she refused you sex. Even orphans, whom your spirit told you to establish one of them, so that he can help his junior ones, you refused. Know that heaven is watching now. You better have a re- think now and begin to answer the call now, because it is your ministry you are fulfilling on earth. Everybody has not been called to preach or be a Pastor. There is a Ministry God has endowed every one with; find your's and begin to operate in it.

CHAPTER 9

THE WARRIORS AND THE HEROES

Other gods are benefiting from those who serve them, but it is only Jesus that seems to be losing from his children, because many so-called Christians have no time for him. People are too busy to look at his face to find out whether he is happy or not. People hardly ask him, Jesus what will I do for you? But all the time, people do not stop to ask and ask, Jesus do this, Jesus do that for me. God has problems too. His kingdom, that is his' church, has collapsed because of falsehood and heresy that have swallowed his church. Honestly, it appears indeed as if God is losing when you look at the global system of worship now.

No encouragement is coming forth, from the church of God, or do I still need to mention the worldly ones. It has been like this because we have lost our commission, no more personal I relationship with God. We have all gone away full of evil heart and wrong motives in our services. Imagine in a church you see two people keeping malice, dragging a boy or girl friend, quarreling because of position, being insincere and non transparent because they want one favour or the other. Shame on the church, the children of the world and anti-Christ are wiser and faster than the church this Time. They know when the church is faulty, and going the wrong way, and they seize the opportunity to shake them.

No wonder God told me that he is a saviour, but he is also the judge; that he had come before to save, but now he will be appearing to judge the earth. He told me that he came to reveal himself to the world as the righteous judge, and also reveal his judgment to his own household, that they will know the power of Holy Ghost as is in the beginning. (Peter 4:17-19). The Bible says that: ***"If the righteous one will be scarcely saved, what will the ungodly do?"***

God told me that he always extends his mercy and hand of fellowship before judgment, if only his people will come close and hear him and be saved. God took me to the book of Jonah and said as Jonah slept when the storm came on the sleeping church of God; heathen storm of his judgment, tribulation, and pains in this last days, will wake his church so that they will call on their God as Jonah woke to call on his

God, if He will save them.

Please, let me point out that I am not deliberately picking on the Church or ministers of God, or that I just want to be hard on them, perhaps for sensationalism. No, neither do I intend to bring anybody or group to ridicule, but due to revelation knowledge, I have to emphasize the Church. Believe this brethren, God is very concerned about the Church, because when the head is rotten, all other parts of the body will be affected. The church is the head and must be able to lead the society to the right way. So let every member of the body of Christ be prepared for the second coming of Christ by living right.

God told me that as many that will wake themselves up now and repent and go the way that the Lord sent them, as he sent Jonah to move to Nineveh on a special assignment but Jonah went his own way to Tarshi, to please himself, as we always want to please ourselves, our conscience and our motives.

Certainly, God is not happy with his children. God told me that the church is running from the presence of the Lord; going to merry in place of seeking the Lord's presence in the Ministry or in the church, jumping from one man of God to the other, doing dry fasting for seven days, even day and night, fasting for one month, using mechanical strength and man's wisdom to seek God. Capital No! You can't get God like this. What God needs is our deep intimacy, our union with him in love and fellowship. The right thing is to be obedient to him rather than by our sacrifice. Jonah was running out of the presence of God because he didn't want to do the will of God. He was not obedient to God. All God wanted was for him to go to Nineveh and save souls, because their sins were exceedingly great. God was no more inclined to endure again. His children in Nineveh had gone astray, they had deviated so much from God's plan and God was determined to close the chapter of Nineveh, as he closed that of Sodom and Gomorrah. He therefore sent Jonah to blow the alarm, by revealing His own secret plan against them!

God so much love mankind. Even when he wants to kill, he still gives opportunity for repentance. But people are so selfish and wicked, that they refuse to consider God, upon all his love and endurance for mankind. Hello men and women of God, we have abused the lawful message of the gospel God "gave us to use and feed his sheep. We have diluted it simply because of our desire to make money and get favour from the congregation. And people are dying everyday, trooping to hell fire, because we refuse to hammer on truth, which leads to kingdom of God. We refuse to give God chance to do His work on us.

Dear brethrens my ultimate mission is to help prepare the church for her calling. The church needs a prophetic gift and the power of revelations as Joel 2 and Acts 2 emphasize. As these scriptures state, they are the signs we are truly coming to these last days. I have two personal goals which compel me in everything I do (1) To become so obedient to Christ in everything and (2) To bring up God's last days' army of truth, as God called me to train them. I once had a serious test from God. I experienced a problem which I became so hard to solve; all my efforts and prayers yielded no result. It can be so painful that when you expect God to step into a matter, He rather keeps silent. .

People were worried, asking why wouldn't God answer this woman even as a widow. All the members of the ministry had prayed all manners of prayers they could, but heaven still kept silent. I was in that situation when God asked me a question, if heaven should close, what shall the righteous do? I was silent for some minutes as I could not give an immediate answer. Then I heard a voice say consistently, Until heaven opens, God is training his last days' soldiers, to

experience the glory of God, as he trained Moses in His presence at the mountain, just to behold his glory face to face. One of the ultimate questions of our time should be, where is the glory? , because before the end of this age, the glory of the Lord will be manifested in his people just as he promised in Isaiah 60: 1-3, for the ministers of God ***"The wisdom and humility are more important than the power: without them, the power will corrupt you and you will be used for evil"***

Where is the unity of the church? It is better to have few who are in unity than many who are divided and any Minister who does not have focus or vision can never lead this army of the Lord. Right now the church needs more true warriors. I had a revelation where a man was building a house, his labourers were working hard but when the man came to the site, he went round the house, and the stage the building was is to cast the decking, surprisingly the man paid off all the workers and sent them away, saying that he needed warriors, that is, very strong men to cast the decking. He said this and left.

I watched these labourers leave in anger, pain and disappointment, and I pitied them indeed. When I woke up God told me that he was looking for Kingdom warriors and not cowards. He said the world's greatest heroes are those who overcame their greatest enemies, and the greatest gainers are those who won battles at all cost, and those who overcame the greatest darkness. He then repeated with much emphasis that he sent me to call those who will serve him, out of the darkness. It is time to know the power of his redemption.
